

# ANTHOLOGY ON ARMED JEWISH RESISTANCE 1939-1945

Thousands of young men willing  
to die for the liberation of their  
homelands and the Jews were  
organized in

partisan units and in underground  
organizations in Poland, Czechoslovakia,  
France, Yugoslavia, Greece, and  
Italy. In the Soviet Union, Jews  
fought in the Red Army and in  
partisan units.

Organized with support from  
the Soviet Union, the United States,  
and other countries.

## **Anthology On Armed Jewish Resistance 1939 1945 Volume Ii:**

Anthology on Armed Jewish Resistance, 1939-1945 Isaac Kowalski, 1984      **Jewish Partisans of the Soviet Union during World War II** Jack Nusan Porter, 2021-08-31 Jewish Partisans of the Soviet Union is a classic compilation of original Russian and Jewish sources on the anti Nazi resistance in Eastern Europe It is rooted in decades of research motivated by a desire to set the record straight on Jewish participation in resistance movements a phenomenon often overlooked when not actively concealed As the son of Jewish partisans in Nazi occupied Eastern Europe Jack Porter presents here the result of his decades long research first hand accounts and interviews with survivors and partisans as well as some of their original work and a seminal English translation of Partisan Brotherhood a historical document gathered by Russian Jewish intellectuals in 1948 at the height of anti Semitic hysteria written mainly by non Jewish Soviet partisan commanders recounting the deeds of the Jewish fighters in their units      **The Jewish Veteran** ,1978      *The Jewish Holocaust* Marty Bloomberg, Buckley Barry Barrett, 1995-01-01 This expanded edition of the guide to major books in English on the Holocaust is organized into ten subject areas reference materials European antisemitism background materials the Holocaust years Jewish resistance

Jewish Resistance During the Holocaust J. Glass, 2004-07-06 It is a common belief that Jews did nothing to resist their own fate in the Holocaust However the realities of disintegrating physical and psychological conditions and the efforts of ghetto undergrounds to counter collaborationist judenrat policies and the despair could not but lead to a breakdown in spiritual life      *Uncle Berl* George Oscar Lee, 2008-12-09 This collection of sixty nine short stories and one poem combines works providing glimpses into life during the Holocaust W W II and post war period UNCLE BERL tells the story of author s maternal uncle and how he and his family survived the Holocaust The final story in the collection Quid pro Quo gives us a look into the life of Berl s son a colonel in the Israeli Defense Forces and military attach to Argentina This collection of wry and humorous stories will strike a chord of recognition in the reader as the tales focus on what is universal in human experience George Oscar Lee with his uncanny wit and understanding of human nature will certainly make you laugh and sometimes cry as he cover life under good and sometimes not so good conditions      *Resilience and Courage* Nechama Tec, 2003-01-01 In this Nechama Tec s fifth book on the Holocaust vivid individual stories blend effortlessly with detailed comparisons of wartime experiences of women and men The result is a gripping account of the distinct coping strategies and ultimate fate of each sex Did women and men react differently under extreme conditions Tec seeks answers by examining their experiences in a variety of Holocaust settings during the initial stage of German occupation and in the ghettos the Nazi concentration and death camps the illegal Christian world underground movements and the forests She shows how in each of these environments the women and men negotiated the rough terrain of a coercive and oppressive society The Holocaust gender tapestry is complex and this book carefully illuminates its varied strands BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved      *Resisting the Holocaust* Ruby Rohrlich, 1998-10 Jewish resistance

**Bibliography On Holocaust Literature** Abraham J Edelheit,2021-11-28 In this second supplement to their Bibliography on Holocaust Literature the authors have compiled 4000 new entries to keep pace with the outpouring of literature on the subject Readers attention is directed to new materials and to items newly available including books pamphlets and journal articles many of which are catalogued for the first time There is a new section on Soviet anti Semitism and expanded coverage of neo Nazism neo fascism

**Remembering for the Future** J. Roth,E. Maxwell,2017-02-13 Focused on The Holocaust in an Age of Genocide Remembering for the Future brings together the work of nearly 200 scholars from more than 30 countries and features cutting edge scholarship across a range of disciplines amounting to the most extensive and powerful reassessment of the Holocaust ever undertaken In addition to its international scope the project emphasizes that varied disciplinary perspectives are needed to analyze and to check the genocidal forces that have made the Twentieth century so deadly Historians and ethicists psychologists and literary scholars political scientists and theologians sociologists and philosophers all of these and more bring their expertise to bear on the Holocaust and genocide Their contributions show the new discoveries that are being made and the distinctive approaches that are being developed in the study of genocide focusing both on archival and oral evidence and on the religious and cultural representation of the Holocaust [Resource Guide, Update 1986](#) ,1987

**Sasha Pechersky** Selma Leydesdorff,2017-06-19 Despite leading the only successful prisoner revolt at a World War II death camp Aleksandr Sasha Pechersky never received the public recognition he deserved in his home country of Russia This story of a forgotten hero reveals the tremendous difference in memorial cultures between societies in the West and societies in the former Communist world

**Resistance** Nechama Tec,2013-08-22 In this careful study of Jewish and non Jewish resistance during World War II Holocaust scholar Tec Nechama argues that Jews were not passive or submissive in the face of German oppression but that their efforts had different aims and expressions than those of their non Jewish counterparts

**Long Night's Journey into Day** Alice L. Eckardt,A. Roy Eckardt,Irving Greenberg,Franklin H. Littell,2016-11-08 Long Night s Journey Into Day is a stimulating and provocative attempt to deal with the impact and meaning of the Holocaust within contemporary Christian and Jewish thought To Jews the Holocaust is the most terrible happening in their history but it must also be seen as a Christian event The Eckardts call for a radical rethinking of the Christian faith in the light of the Holocaust examining such issues as the relation between human and demonic culpability the charge of God s guilt and the reality of forgiveness They clarify the theological meaning of the Holocaust and the responsibility that must be borne for it by the Christian Church and discuss possible responses to it as exemplified in the writings of selected modern theologians and church councils This enlarged and revised edition takes into account new topics and developments including the issue of Austrian responsibility for the Holocaust the significance and aftermath of Bitburg and antisemitism in German feminism More detailed attention is also given to other modern genocides and occasions of humanly caused mass death Additional literary historical and religious works are considered and

appropriate quotations incorporated The new edition also includes a revised preface an updated bibliography and two new appendices **Surviving the Hell of Auschwitz and Dachau** Leslie Schwartz, Marc David Bonagura, 2013 Leslie Schwartz born in Hungary in 1930 is a teenage survivor of Auschwitz and Dachau He lost his entire immediate family in the Holocaust His lifelong search for wholeness led him back to Germany where his dream now is to leave a legacy of healing and conflict resolution In 2013 Schwartz will be awarded Germany's highest civilian honor The Order of Merit of the Federal Republic of Germany Book jacket *Books in Print*, 1994 **The Holocaust in American Film** Judith E. Doneson, 2002-01-01 This work offers insights into how specific films influenced the Americanization of the Holocaust and how the medium per se helped seed that event into the public consciousness In addition to an in depth study on films produced for both theatrical release and TV since 1937 including *The Great Dictator* *Cabaret* *Julia* and the mini series *Holocaust* this work provides an analysis of Schindler's List and the debate over the merit of Spielberg's vision of the Holocaust It also examines more thoroughly made for television movies such as *Escape From Sobibor* *Playing For Time* and *War and Remembrance* A special chapter on *The Diary of Anne Frank* discusses the evolution of that singularly European work into a universal symbol Paying special attention to the tumultuous 1960s in America it assesses the effect of the era on Holocaust films made during that time It also discusses how these films helped integrate the Holocaust into the fabric of American society transforming it into a metaphor for modern suffering Finally the work explores cinema in relation to the Americanization of the Jewish image

*Defiance* Nechama Tec, 2008-12-26 The prevailing image of European Jews during the Holocaust is one of helpless victims but in fact many Jews struggled against the terrors of the Third Reich In *Defiance* Nechama Tec offers a riveting history of one such group a forest community in western Belorussia that would number more than 1 200 Jews by 1944 the largest armed rescue operation of Jews by Jews in World War II Tec reveals that this extraordinary community included both men and women some with weapons but mostly unarmed ranging from infants to the elderly She reconstructs for the first time the amazing details of how these partisans and their families hungry exposed to the harsh winter weather managed not only to survive but to offer protection to all Jewish fugitives who could find their way to them Arguing that this success would have been unthinkable without the vision of one man Tec offers penetrating insight into the group's commander Tuvia Bielski Tec brings to light the untold story of Bielski's struggle as a partisan who lost his parents wife and two brothers to the Nazis yet never wavered in his conviction that it was more important to save one Jew than to kill twenty Germans She shows how under Bielski's guidance the partisans smuggled Jews out of heavily guarded ghettos scouted the roads for fugitives and led retaliatory raids against Belorussian peasants who collaborated with the Nazis Herself a Holocaust survivor Nechama Tec here draws on wide ranging research and never before published interviews with surviving partisans including Tuvia Bielski himself to reconstruct here the poignant and unforgettable story of those who chose to fight **Staging Holocaust**

**Resistance** Gene A. Plunka, 2012-04-24 Plunka argues that drama is the ideal art form to revitalize the collective memory of

Holocaust resistance This comparative drama study examines a variety of international plays some quite well known others more obscure that focus on collective or individual defiance of the Nazis

**The Routledge History of the Holocaust**

Jonathan C. Friedman, 2010-12-15 The genocide of Jewish and non Jewish civilians perpetrated by the German regime during World War Two continues to confront scholars with elusive questions even after nearly seventy years and hundreds of studies This multi contributory work is a landmark publication that sees experts renowned in their field addressing these questions in light of current research A comprehensive introduction to the history of the Holocaust this volume has 42 chapters which add important depth to the academic study of the Holocaust both geographically and topically The chapters address such diverse issues as continuities in German and European history with respect to genocide prior to 1939 the eugenic roots of Nazi anti Semitism the response of Europe s Jewish Communities to persecution and destruction the Final Solution as the German occupation instituted it across Europe rescue and rescuer motivations the problem of prosecuting war crimes gender and Holocaust experience the persecution of non Jewish victims the Holocaust in postwar cultural venues This important collection will be essential reading for all those interested in the history of the Holocaust
