Anthony Neilson Plays:

Anthony Neilson Anthony Neilson, 1998 **Anthony Neilson Plays: 3** Anthony Neilson, 2018-12-23 Anthony Neilson is often described as one of the most exciting and challenging voices in contemporary British theatre. For over two decades he has acquired a reputation for innovation and experimentation in both writing and directing, having worked with companies such as The Royal Court, The RSC and the National Theatre. This third play collection of his most recent major works brings together five plays in publication for the first time, offering an important documentary of his original work since 2008.

Relocated 2008 originally premiered at the Royal Court, directed by the author, where it was described as a sinister mystery play and not an experience for the faint-hearted, morally challenging and riveting, leaving an indelible stain on the memory. *The Times* *Get Santa* 2010 is a magical musical and mischievous Christmas show with a fresh moral, featuring music by Nick Powell. *It's Christmas Eve but Holly isn't happy* All she's ever wanted from Santa is to meet her real Dad for the first time. And every time Santa's failed to deliver, bringing lots of useless presents instead. Well, Holly's had enough. This year she has a plan. She's going to wait up and trap Santa when he arrives and get from him the only present she's ever wanted. *Narrative* 2013 originally premiered at the Royal Court Theatre. *Upstairs* Devised throughout rehearsal with a seven-strong cast, it's a play about storytelling and the narratives of our everyday lives. *Unreachable* 2016 was described as an intoxicatingly chaotic comedy. *Time Out* which follows a film director on an obsessive quest to capture the perfect light. Originally running at the Royal Court Theatre in a production that starred Matt Smith, it broke boundaries by offering audiences a digital insight into the rehearsal process through online content which documented and shaped the devising process. *The Prudes* 2018 is a comedy about relationships in the current sexual climate and a vicious satire on the male response to it. Jess and Jimmy haven't done it in a year. Fourteen months and four days to be exact. It's definitely not the seven-year itch they've been together nine. Now they're coming together in a last ditch effort to reboot their sex life and save their relationship. But a lot has changed in a year for them and for the world. Described as a smart, sketchy, amusing, awkward, stimulating two-hander, *The Times* it originally premiered at the Royal Court. *Upstairs* Published to coincide with his adaptation of *The Tell Tale Heart* at the National Theatre in December 2018, this play collection is an important and unique anthology of a major international voice of contemporary theatre.

Neilson Plays: 1 Anthony Neilson, 1998-01-01 Contains *Normal* first performed at the Pleasance Theatre, Edinburgh on 7 August 1991. *Penetrator* first performed at the Traverse Theatre, Edinburgh on 12 August 1993. *Year of the family* first performed at the Finborough Theatre, London on 28 March 1994. *The night before Christmas* first performed at the Red Room, London on 5th December 1995. *The Censor* first performed at the Finborough Theatre, London on 1 April 1997.

Realism Anthony Neilson, 2014-05-08 *A lazy Saturday for Stuart* With interruptions from a radio panel show, a threesome, the Black and White Minstrels, a nagging mother and a mouthy cat, no chance. Luckily none of them know what he's thinking. *Realism* is an exquisite surreal trip inside the mind of one man during an ordinary day. However, it veers off from

the commonplace to become a deliriously comic trip inside his wayward imagination Dreams and daydreams are brought to life to hilarious effect exposing the faultlines between everyday life and the world of the imagination in which fantasies ignore conventions of taste and political correctness This is Anthony Neilson's follow up to his multi award winning *The Wonderful World of Dissocia* The text was published to coincide with its English premiere at the Soho Theatre in June 2011

Stitching Anthony Neilson, 2014-02-17 We will fix it We will mend it In the light of a pregnancy a faithless couple pick apart their relationship stitch by painful stitch Can it be mended Anthony Neilson's dark and intimate new play is a love story set at the extremes of brutality banality and tenderness *Stitching* opened at the Traverse Theatre Edinburgh on 2 August 2002 and transferred to the Bush Theatre London on 12 September 2002 Explodes with power discipline integrity and sheer cruel psychological accuracy Neilson's writing has a terrible beauty Sunday Times Startlingly rich and challenging Neilson depicts with aching precision a relationship in which love is undermined by distrust Time Out Shattering shocking a serious persuasive account of the blind alleys love can lead us down Daily Telegraph A characteristically brave and brutal offering Independent A deeply mesmerising if shocking experience as a couple smashes through taboo after taboo in a harrowing sexual tug of war Evening Standard

Plays International ,2008 *Towards a Poetics of the Mental Health Play* Anja Drautzburg,2020

This study traces key developments in theatre's engagement with mental health since the 1970s

It introduces and applies the concept of the mental health play as accurate and timely in addressing the way mental distress and mental illness have been brought to the stage

The study argues that the theatre is a central calibrator for reflecting developments and tensions in as well as attitudes towards mental health care and thus opens up a domain that still has stereotypes and myths attached to it

Theatre's representations of mental distress inform and shape cultural production and vice versa

Mental health plays are central in encouraging and fostering conversations about mental health and they thus intervene in ongoing debates

Due to its interdisciplinary approach this study contributes to and extends existing research in multiple fields including theatre and science performance studies and the medical humanities
