Anthropologie in pragmatischer Hinsicht abgefasst von Immanuel Kant Kant, 1800

Anthropology from a Pragmatic Point of View
Immanuel Kant, 2006 Anthropology from a Pragmatic Point of View essentially reflects the last lectures Kant gave for his annual course in anthropology which he taught from 1772 until his retirement in 1796 The lectures were published in 1798 with the largest first printing of any of Kant s works Intended for a broad audience they reveal not only Kant s unique contribution to the newly emerging discipline of anthropology but also his desire to offer students a practical view of the world and of humanity s place in it With its focus on what the human being as a free acting being makes of himself or can and should make of himself the Anthropology also offers readers an application of some central elements of Kant s philosophy

This volume offers a new annotated translation of the text by Robert B Loudon together with an introduction by Manfred Kuehn that explores the context and themes of the lectures
