## **Anthropology Of Tourism:**

An Introduction to Tourism and Anthropology Peter Burns, 2003-07-13 This introductory text explains how anthropology is integral to the study of tourism dynamics Starting with an overview of the development of anthropology as a social science the author uses a wealth of international examples including the UK USA and Australia to bring practical relevance to complex theories With its lucid writing style summaries sample questions and suggestions for further reading this book will be an invaluable teaching resource in this area

Anthropology of Tourism Dennison Nash, 1996 Tourism plays an important role in social development and has attracted the interest of the social sciences including anthropology where it has become an accepted part of anthropological studies This book is designed to give an overview and critical assessment of this developing field of study Basic research from three theoretical perspectives is reviewed and assessed tourism as a form of development or acculturation as a personal transition and as a kind of social superstructure In later chapters the applied side of the field is examined including considerations of tourism policy and sustainable tourism development Most chapters include summary case studies illustrating some of the important points under examination The book concludes with a discussion of the integration of basic and applied approaches in the anthropological agenda on tourism and suggestions concerning the future course of study in the field

**Hosts and Guests** Valene L. Smith, 2012-06-13 Tourism one of the world's largest industries has long been appreciated for its economic benefits but in this volume tourism receives a unique systematic scrutiny as a medium for cultural exchange Modern developments in technology and industry together with masterful advertising have created temporarily leisured people with the desire and the means to travel They often in turn effect profound cultural change in the places they visit and the contributors to this work all attend to the impact these guests have on their hosts In contrast to the dramatic economic transformations the social repercussions of tourism are subtle and often recognized only by the indigenous peoples themselves and by the anthropologists who have studied them before and after the introduction of tourism The case studies in *Hosts and Guests* examine the five types of tourism historical cultural ethnic environmental and recreational and their impact on diverse societies over a broad geographical range

*Native Tours* Erve Chambers, 2009-07-20 The original edition of *Native Tours* provided a much needed overview and analysis of anthropologists' contributions to tourism as an emerging field of study Such a cultural perspective illuminated key ideas surrounding worldwide host guest relationships and the impacts both negative and positive of tourism as one of the world's largest industries Applying a characteristically uncluttered authoritative writing style alongside an exceptional command of the relevant literature Chambers updates refines and extends the original concise work He identifies new or refashioned trends such as green tourism community based tourism heritage and cultural tourism and domestic tourism in developing nations as well as discusses how local prejudices influence and often distort views of tourism Three detailed case studies originating in the American Southwest the Tirolean Alps and Belize illustrate the social cultural economic political and

environmental costs and benefits of tourism      *Anthropology of Tourism in Central and Eastern Europe* Sabina Owsianowska, Magdalena Banaszekiewicz, 2018-04-11 In *Anthropology of Tourism in Central and Eastern Europe Bridging Worlds* Sabina Owsianowska and Magdalena Banaszekiewicz examine the limitations of the anthropological study of tourism which stem from both the domination of researchers representing the Anglophone circle as well as the current state of tourism studies in Central and Eastern Europe This edited collection contributes to the wider discussion of the geopolitics of knowledge through its focus on the anthropological background of tourism studies and its inclusion of contributors from Austria Bulgaria Estonia and Poland      **The anthropology of tourism** ,1983      **The Anthropology of Tourism** ,1983

**Anthropology of Tourism** Maximiliano E. Korstanje, Vanessa GB Gowreesunkar, 2024-12-06 With a special focus on social and cultural aspects of tourism and travel this novel work brings out the latest in anthropology of tourism by laying the foundations of a new understanding of the intersection between tourism and social science The volume offers an eclectic selection of topics that discuss the nature and evolution of tourism anthropology over the decades It reflects on how tourism development affects social change The book considers tourism s new problems and old solutions after the new normal created by the COVID 19 pandemic and its effect on the tourism industry Chapters discuss the influence of sociodemographic characteristics of local community perceptions toward conservation and tourism tourism destinations that embrace smart technology how human rights affect tourism choices the impact of borders biopolitics and travel bans on tourism the growth of dark and thana tourism and more      **Anthropology of Tourism in Central and Eastern Europe** Sabina

Owsianowska, Magdalena Banaszekiewicz, 2018 In *Anthropology of Tourism in Central and Eastern Europe Bridging Worlds* Sabina Owsianowska and Magdalena Banaszekiewicz examine the limitations of the anthropological study of tourism which stem from both the domination of researchers representing the Anglophone circle as well as the current state of tourism studies in Central and Eastern Europe This edited collection contributes to the wider discussion of the geopolitics of knowledge through its focus on the anthropological background of tourism studies and its inclusion of contributors from Austria Bulgaria Estonia and Poland      *Anthropology as a Driver for Tourism Research* Wil Munsters, Marjan Melkert, 2015-05-06 This book was inspired by the strongly increasing cross fertilization between anthropological research and tourism studies It provides a rich and comprehensive overview of key topics within contemporary international research related to the anthropology of tourism including theoretical and methodological issues field studies ethnographic museum policy and the anthropological contributions to tourism policy research and cultural tourism studies These contents make the book suitable for researchers lecturers and students in the fields of anthropology and tourism as well as for policymakers and practitioners working in the culture and museum sectors the tourism industry and government service Thanks to the special attention the editors paid to unlocking the texts for interested laymen culture seekers and travel lovers will also appreciate the wealth of observations descriptions and analyses that will undoubtedly broaden their outlook on people and places
