Anti Aging Zone:

The Anti-Aging Zone Barry Sears, 1998-12-30 How old are you now Want to look younger live longer and feel better Enter the Anti Aging Zone With his 1 New York Times bestseller *The Zone* Dr Sears began revolutionizing nutritional thinking in America Now his cutting edge hormonal control research is elevated to a new level that promises to change forever how we look at aging No one wants to get old or show the signs of age In fact for centuries many have searched for and often promised the fountain of youth So what makes *The Anti Aging Zone* different In this new breakthrough book Dr Sears goes beyond looking at food as simply a source of calories and explains the incredibly powerful biological effects it has on your hormones From this unique perspective food is more than a source of sustenance it becomes the most powerful drug known to man More important it is the only drug proven to reverse the aging process In addition to unraveling the mysteries of your hormones and their role in aging Dr Sears reveals the essential dietary information you need to start your own age reversal journey Using his simple and easy to follow program you will be able to live longer and live better beginning with your very next meal As Dr Sears explains the aging process isn't caused as much by the depletion or lack of hormones as we get older but rather by their impaired ability to communicate with each other Little known super hormones called eicosanoids can reestablish the critical communications links between your hormones which is the key to age reversal The brilliance of this anti aging approach is that these exceptionally powerful super hormones can be altered by the foods you eat and in particular by the Zone Diet Your body is a vast complex biological Internet whose hormonal communication can be orchestrated with great precision by the Zone Diet Hormones from melatonin to serotonin from estrogen to testosterone from cortisol to DHEA can all be controlled if you are willing to treat food with the same respect as you would any prescription drug Ultimately hormonal miscommunication is the underlying cause of many conditions associated with getting older such as insomnia wrinkles dry and dull skin waning sex drive depression chronic pain obesity diabetes heart disease and cancer Using *The Anti Aging Zone* as your guide you can look and feel better than you ever imagined Millions of people like you are now facing the hard realities involved with getting older Dr Sears separates the hormonal hype from reality and gives you the necessary tools to add years to your life and improve your appearance *The Anti Aging Zone* is your passport to a longer and better life Enter the Anti Aging Zone you have the power to reverse aging beginning with your next meal Ask yourself these life changing questions Why am I aging Is it too late to reverse aging What type of diet will increase my sexual energy and desire What is my biological Internet How do my hormones control aging Can I make my hormones communicate more effectively Do high carbohydrate diets accelerate aging How does stress reduce brain longevity What are passing grades on my Anti Aging Report Card Begin your Anti Aging lifestyle today *The Anti Aging Zone* includes A week of Anti Aging Zone meals for males and females Anti Aging Zone meals for the business traveler Anti Aging Zone meals in fast food restaurants A simple at home Anti Aging Zone exercise program

The Anti-aging Zone Barry Sears, 1999 **Anti-Ageing Zone** Barry

Sears,2009-05 Maintaining physical and mental performance with a revolutionary diet that helps prevent age related diseases Sears explains that it is possible to reverse our biological age which is different to our chronological age if we look at our hormones and our diet It is crucial to maintain the right balance of hormones in our bodies ageing is not necessarily about the decreasing of certain hormones but rather how they effectively communicate with each other to maintain equilibrium The Zone is a revolutionary diet plan which advocates a lower intake of carbohydrates which convert to sugar creating a diabetic like condition If we eat more protein and monosaturate fats we enter the Zone of optimum metabolic function This diet has been proven in preventing age related diseases heart disease and diabetes non insulin dependent diabetes largely occurs in older age Sears explores the activity of hormones as we age and gives a dietary plan and supplement advice to maintain peak performance calorie restriction without hunger or deprivation insulin cortisol serotonin and eicosanoids oestrogen and the menopause testosterone as men and women age DHEA melatonin are these hormonal supplements merely hype your thyroid gland and how it affects metabolism exercise and the anti ageing Zone lifestyle pyramid

Antiaging 101: Course Manual Frank Comstock MD,2010-08 Antiaging 101 empowers us with the knowledge and tools required to slow the aging process Structured in the format of a college lecture series Antiaging 101 explains the lifestyle changes necessary to obtain and maintain optimal health and vitality Learn how and why your diet exercise program supplements hormones and stress reduction impact your health and aging By learning this material you will empower yourself and your family to make intelligent choices that will impact your health immediately After this course you will know what foods to eat what supplements to take what exercise to do and what hormones to utilize Yes the program takes sacrifice and commitment but in return you will have more energy strength and stamina You will look better and you will be healthier You will realize that each day instead of being another step toward getting older is actually an opportunity to get younger

The Principles and Practice of Antiaging Medicine for the Clinical Physician Vincent C. Giampapa,2022-09-01 This book takes a whole new perspective concerning the approach to treating aging process Most doctors feel they have no other options but to operate on the physical processes that occur as we grow older Now for the first time there is another scientific approach that impacts on the causes of aging and not just on the effects
