## **Antimass Methods Of Organization For Collectives:**

**Anti-mass** ,2024 This is a classic essay from the 1970s that argues against idea of mass organizing in favor of focusing on the primacy of the collective From the introduction The uniqueness of developing collectives is their definitive break with all hierarchic forms of organization and reconstructing of a classless society Despite its age this zine offers important considerations and arguments for organizing collectives Taken from another edition **The Anti-mass** ,2002 Guerrillas of Desire Kevin Van Meter,2017-05-22 Few have approached radical theory with the rigor and skill of Kevin Van Meter Empowering lucid and inspiring Guerrillas of Desire provides an exhaustive and much needed retooling of anarchism that will align the dreams of becoming revolutionaries with the reality of everyday resistance Alexander Reid Ross author of Against the Fascist Creep Looking for the political in the everyday and bringing anarchism into a productive dialogue with Autonomist Marxism Kevin Van Meter challenges many of the left s usual assumptions and forces a reconsideration of what we mean by struggle Kristian Williams author of Our Enemies in Blue Behind the smiling faces of cashiers wait staff and workers of all sorts a war is being planned usually without the knowledge of official political and labor organizations Guerrillas of Desire begins with a provocation The Left is wrong It s historical and current strategies are too often based on the assumption that working and poor people are unorganized acquiescent to systems of domination or simply uninterested in building a new world The fact is as C L R James has noted they are rebelling every day in ways of their own invention pilfering sabotaging faking illnesses squatting fleeing and counter strategizing Kevin Van Meter maps these undercurrents illustrating that everyday resistance is an important factor in revolution and something radicals of all stripes must understand Kevin Van Meter is an activist scholar based in the Pacific Northwest He is coeditor of Uses of a Whirlwind Movement Movements and Contemporary Radical Currents in the United States The Anti-mass ,197? **Homi Bhabha: An Introduction and Critique, Volume 3: Political Theory and Practice** Andrew McLaverty-Robinson,2020-01-31 Homi Bhabha An Introduction and Critique is a pathbreaking three volume study of the celebrated postcolonial scholar s work McLaverty Robinson s careful reading renders Bhabha s theories in plain English without losing their meaning In addition McLaverty Robinson s incisive critique cuts through the theoretical aura of Bhabha s work and explores whether his theories work in practice either empirically or politically This third and final volume explores the political content and implications of Bhabha s work It explores Bhabha s political proposals such as the ideas of a community of suffering and a right to narrate It also explores Bhabha s relationship to neoliberalism and to the Eurocommunist current in the 1980s and his critical engagements with liberalism communitarianism Marxism critical race theory Deleuze and Guattari and Frantz Fanon This volume also includes an entire chapter providing a background on neoliberalism and a comprehensive index covering all three volumes The Palgrave Handbook of Anarchism Carl Levy,Matthew S. Adams,2018-06-22 This handbook unites leading scholars from around the world in exploring anarchism as a political ideology from an examination of its core

principles an analysis of its history and an assessment of its contribution to the struggles that face humanity today Grounded in a conceptual and historical approach each entry charts what is distinctive about the anarchist response to particular intellectual political cultural and social phenomena and considers how these values have changed over time At its heart is a sustained process of conceptual definition and an extended examination of the core claims of this frequently misunderstood political tradition It is the definitive scholarly reference work on anarchism as a political ideology and should be a crucial text for scholars students and activists alike

**Direct Action** L.A. Kauffman, 2017-02-19 What happened to the American left after the Sixties This engrossing account traces the evolution of disruptive protest over the last forty years to tell a larger story about the reshaping of American radicalism showing how the direct action blockades occupations and campaigns of recent activist movements have functioned as laboratories for political experimentation and renewal Propelled by more than a hundred candid interviews conducted over a span of decades this elegant and lively history showcases the voices of key players in an array of movements environmentalist anti nuclear anti apartheid feminist LGBTQ anti globalization racial justice anti war and more across an era when American politics shifted to the right and issue and identity based organizing eclipsed the traditional ideologies of the left As Kauffman a longtime movement insider examines how groups from ACT UP to Occupy Wall Street to Black Lives Matter have used direct action to catalyze change against long odds she details the profound influence of feminism and queerness on radical political practice and how enduring divisions of race have shaped the landscape of activism Written with nuance and humor and revealing deep connections between movements usually viewed in isolation Direct Action is essential reading for anyone interested in understanding how protest movements erupt and how they can succeed

**Another Politics** Chris Dixon, Angela Y. Davis, 2014-08-15 Amidst war economic meltdown and ecological crisis a new spirit of radicalism is blooming from New York to Cairo according to Chris Dixon In Another Politics he examines the trajectory of efforts that contributed to the radicalism of Occupy Wall Street and other recent movement upsurges Drawing on voices of leading organizers across the United States and Canada he delivers an engaging presentation of the histories and principles that shape many contemporary struggles Dixon outlines the work of activists aligned with anti authoritarian anti capitalist and anti oppression politics and discusses the lessons they are learning in their efforts to create social transformation The book explores solutions to the key challenge for today s activists organizers fighters and dreamers building a substantive link between the work of against which fights ruling institutions and the work of beyond which develops liberatory alternatives

**Co-operative Internet Learning** William Coughlan, Jr., 2006 This book combines together historical feminist and psychoanalytic theory as well as some minimal Buddhist logic into a co operative process to enable the reader to develop an Internet co op school

**Utopian Politics** Rhiannon Firth, 2012-03-12 In the context of global problems such as the economic downturn escalating inequality terrorism resource depletion and climate change cynicism prevails in contemporary politics which need not be the case Utopian Politics confronts a world intensely aware of

the problems that we face and sadly lacking in solutions positing a utopian articulation of citizenship focused on community participation at a grassroots level By re examining central concepts and thinkers in political theory this book re casts the concepts of utopia and citizenship both as part of the classical philosophical tradition and simultaneously as part of the cutting edge of radical alternatives This book includes never before published ethnographic research interviews and photographs from a range of autonomous UK communities to show how the boundaries of politics and citizenship can be questioned and proposes an innovative methodology inspired by classical and post structural anarchism By considering ideas and practices that are generally considered to be marginal to mainstream political theory and practice the book encourages readers to think about longstanding and central political debates in an entirely new and creative way Utopian Politics will be of interest to students and scholars of political theory ethics and citizenship **A Bibliography of North American**

**Situationist Texts** Beni,1975 **Upping the Anti #4** , **The Food Co-op Handbook** Co-op Handbook Collective,1975 **Alternatives in Print, 77-78** Social Res American Library Associat,1977-02 **Quest** ,1976 Welcome to the Magic Theater Dick McLeester,1976 Women, Community, and the Hormel Strike of 1985-86 Neala Schleuning,1994-01-30 The strike by Local P 9 against the Hormel Co in 1985 86 marked a turning point in American labor history The central role played in the strike by the Austin United Support Group brought the issues of economic justice and community survival to the forefront of the labor movement agenda In response to isolation from their traditional communities these women created a vital and successful strike culture that was characterized by cooperation solidarity and a variety of institutions to meet the economic social and spiritual needs of the 1 500 striking families This work is important because it shows the strength of the women and their vision of economic justice how deeply committed they remain to their ideals and their struggle and how little the passage of time has diminished their anguish This work is important also as a portrait of a typical midwestern company town where community life is colored strongly by economics *American Values and Habitat* ,1976 *Public Secrets* Ken Knabb,1997 The greatest hits and a fine read for anyone interested in situationist ideas anarchism the 60s counterculture and beyond Includes both two substantial new texts The Joy Of Revolution and Autobiography and reprints of all his old pamphlets co authored work and translations of various situationist texts A veritable treasure trove of pamphlets texts posters comics articles leaflets and essays Over 400 pages and every one is a winner *Anti-mass Methods of Organisation for Collectives* ,1988

Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Antimass Methods Of Organization For Collectives. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Antimass Methods Of Organization For Collectives, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal

information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Antimass Methods Of Organization For Collectives has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
