

A still life photograph of various antique garden tools and objects. In the foreground, a large wooden-handled shovel with a dark metal head and a pitchfork with a wooden handle stand on a stone path. To their right is a small, clear glass pyramid-shaped sundial. In the background, a wooden wheelbarrow is filled with more tools, including several long-handled trowels and a small terracotta pot. A small bird is perched on the rim of the wheelbarrow. The scene is set against a brick wall and a green wooden slatted bench.
