Nelson, Lisa-Marie Potter, 2025-07-09 Student Autumn Haze s motto is no men until she completes her bachelor of nursing degree Years before Autumn learned the hard way men are just a distraction she can t afford until she s established her career and what she wants While moonlighting as a Plus One companion pays the bills she struggles to follow her rules after meeting her newest contract Pediatric Hospitalist Jensen Edwards is still recovering from a bad breakup that left him the talk of the hospital Now he s receiving a best doctor s award but after he hires Autumn as his plus one Jensen is on edge If word gets out that he hired a companion rumors are bound to circulate making work unbearable again Their chemistry as a fake couple is undeniable but can a chance at a real relationship override their fear of commitment *An American Passion* Len Blanchard, 2001-09 An historical narrative of epic scope An American Passion is a story of adventure political intrigue war and romance set on the Northern Plains during the last several decades of the Nineteenth Century While faithfully adhering to the sketchy and often contradictory historical record the epic offers a vivid imaginatively realized account of the life of the mysterious Crazy Horse legendary war chief of the Lakota Sioux A man who typically let his actions do his speaking for him and who died young assassinated at the hands of the U S Government in his mid thirties Crazy Horse s story is related by five different narrators An American Passion opens with a prologue spoken by the Missouri River the mighty river of the Great Plains With the historical context established Crazy Horse s life from his birth to his death little more than a year following his great victory over George Armstrong Custer at the Little Big Horn is related retrospectively by his grieving father Worm a notable medicine man of the tribe The next major section of the epic is narrated by the woman for whom Crazy Horse risked his life and the welfare of his people Black Buffalo Woman s tale is a tragedy in the vein of Romeo and Juliet s Unlike the story of Shakespeare s fallen lovers however the love story of Crazy Horse and Black Buffalo Woman has never been related in its full gripping complexity as it is in An American Passion Amazingly after his nearly fatal attempt to take Black Buffalo Woman as his wife Crazy Horse went on to marry and the third major narration of An American Passion is that of Black Shawl his fiercely loyal and devoted widow and the mother of his only known child Telling her story at about the time Sitting Bull was returning to the reservation after having been released from prison by the U S Government a bitter but not a hopeless woman Black Shawl focuses on the early death of her daughter by Crazy Horse and on her final days in captivity

with Crazy Horse The epic concludes with the account of He Dog a loyal friend of Crazy Horse having fought beside him throughout his days as the greatest warrior among the Sioux He Dog lived to be nearly a hundred years old and served as a respected judge in the Indian courts on the reservation Told from the vantage point of 1910 some 33 years after the killing of Crazy Horse He Dog s narration is largely a tribute to his friend a consideration of the differences in character and temperament between himself and Crazy Horse and an elegy to what might have been and perhaps may some day yet be In the depth and breadth of its portrayal of major figures in Crazy Horse s life who are little more than footnotes in the historical record and in the insight it offers into the heart and mind of a great and complicated man a man who lived and died ultimately as an enigma even to the people who revered and revere him An American Passion is a unique emotionally engaging account of the final days of the resistance of the Native Americans of the Northern Plains to that juggernaut of forces which having achieved its objective destroyed a culture though not a people

A Passion for Life Cheng-Wen Wu, Chwan-Wen Liu, 2010 This is a biography of Dr Felicia Wu Felicia was a scientist with a successful career in cancer research but what marked the most extraordinary aspect about her life was her journey as a truly brave cancer patient and an incredibly determined cancer fighter Originally this book was intended to be an autobiography written and narrated by Felicia herself She wanted to share with other cancer sufferers her 13 long years of experience fighting cancer to prepare them for the side effects and uncertainties of the treatment and also to encourage them to brace and face their own treatment without fear What she did not realize then was that her time was ticking away and her life trickling off quickly Writing her own autobiography proved to be an impossible task Felicia succumbed to the prolonged battle and departed from this world Her husband Dr Cheng Wen Wu finished the uncompleted task of writing the book in loving memory of her The biography of Felicia originally published in Chinese edition has been recommended as a reading model for students in schools and was nominated for an award in Taiwan Felicia s story had also inspired the production of a documentary film entitled OC A Passion for Life OCO funded and sponsored by The American Cancer Society This biography of Felicia in English edition painstakingly translated by Dr Cheng Wen Wu and his collaborating translator Ms Annie Chen will certainly live up to its original premise as an inspiration to touch more lives and as a source of strength to all who encounter difficulty disappointment and hurt at any point of their lives

Seasons of the Word Hilmi Yavuz,2006-12-19 Hilmi Yavuz is among Turkey s most celebrated poets His poetry at once cerebral and intensely emotional has been translated into several languages but never until now into English Walter G Andrews s translations bring to the English speaking world a glimpse into the complex and expressive poetry of Yavuz introducing traditional Ottoman forms and themes into a familiar poetic landscape and opening a door of understanding to Western readers While each poem included in this volume can be enjoyed as a unique poetic entity these poems read together reveal the organic and developmental relationship between Yavuz s figurative language and his self expression Barry Tharaud provides an insightful afterword discussing Yavuz s work within the world of Turkish poetry and making a convincing plea for the importance of literature in translation This volume will be of significant interest to anthologists cultural and literary historians and poetry lovers alike
