Lounsbrough, 2017-11-15 WE LIVE IN A CULTURE THAT IS DESPERATE TO AVOID LOSS We choose to fight it because we assume that it has come only to unfairly steal and inflict terrible pain Loss is seen as the roque enemy and heartless foe rather than an opportunity for immense and improbable growth It s in loss that some of the richest and rarest of life s lessons lay buried eagerly waiting to be deeply mined and unearthed In the deepest pain God does the deepest work An Autumn's Journey Deep Growth in the Grief and Loss of Life's Seasons does not loosely gloss over loss or provide shallow prescriptions and weak formulas for our grieving Rather it aggressively embraces both grief and loss bringing fresh eyes to these times in our lives in order to draw out of them the marvelous riches that we all too often miss Andreas Sofroniou, 2010-09-21 For us Greeks POIESIS poetry means the creation of anything in this case structurally using words with specific meaning The composition of poetry is therefore an art where words construct sentences verses using metaphors and symbols which in turn are based on imagination facts and life experiences A poem does not have to rhyme and yet it can be a stanza a canto to a loved one an ode to a hero a sarcastic remark to emphasise the importance of a point made an elegy composed to explain feelings arranged as a work of art The poems included in this collection have endured time and kept the promise of including all that is described above The subjects chosen show such versatility that the reader will require time to read the elevated expression of thoughts and feelings Haunting Kisses Juanita Tyree Osborne, 1984
