

A promotional image for the Disney movie 'Avalon High'. The scene is set in a grand, gothic-style school hallway with high, vaulted ceilings and stone arches. Five young people are walking towards the camera. In the center is a blonde girl with long hair, wearing a black leather jacket over a teal t-shirt with a dark emblem. To her left is a boy in a black jacket over a white shirt. To her right is a girl with long red hair wearing a dark, patterned top. Behind them are two other boys, one in a blue and white diamond-patterned sweater and another in a red sweater. On the left side of the image, there is a large blue shield-shaped logo with a gold border. The shield contains the word 'Disney' in its signature script font at the top, and the words 'AVALON HIGH' in large, bold, gold, serif capital letters below it. The background is slightly blurred, emphasizing the characters in the foreground.

Arthurian Legend in the Twentieth and Twenty-first Centuries Susan Austin, 2022-02-01 The King Arthur we imagine did not exist in history He is the result of stories told and retold changed and added to by storytellers for centuries each making the story reflect the storyteller s time and values The chapters in this book look at movies manga comic books a television show and traditional books released since 1960 to explore some of the ways King Arthur has been reimagined in the past 60 years Interpreting Avalon High and The Kind Who Would Be King Camelot 3000 and King Arthur vs Dracula Fate Zero John Steinbeck s The Acts of King Arthur and His Noble Knights the influence of Arthurian legend on Harry Potter Terry Gilliam s The Fisher King John Boorman s Excalibur Jerry Zucker s First Knight Antoine Fuqua s King Arthur Guy Ritchie s King Arthur The Legend of the Sword Matthew Vaughn s Kingsman The Secret Service Iris Murdoch s The Time of the Angels and the BBC series Merlin the authors find that while we are still interested in the idea of King Arthur we may also want his story to be more racially and gender inclusive less elitist and in some cases more secular *Bulletin* United States. eService-Learning Jean R. Strait,Katherine Nordyke,2023-07-03 This book serves as an introduction to using online teaching technologies and hybrid forms of teaching for experiential learning and civic engagement Service learning has kept pace neither with the rapid growth in e learning in all its forms nor with the reality that an increasing number of students are learning online without exposure to the benefits of this powerful pedagogy Eservice learning electronic service learning combines service learning and on line learning and enables the delivery of the instruction and or the service to occur partially or fully online Eservice learning allows students anywhere regardless of geography physical constraints work schedule or other access limitations to experience service learning It reciprocally also equips online learning with a powerful tool for engaging students In eservice learning the core components of service learning and reflection may take a different form due to the online medium for example reflection often occurs through

discussion board interactions journals wikis or blogs in an eservice learning course Moreover the service though still community based creates a world of opportunities to connect students with communities across the globe as well as at their very own doorstep This book introduces the reader to the four emerging types of eservice learning from Extreme EService Learning XE SL classes where 100% of the instruction and 100% of the service occur online to three distinct forms of hybrid where either the service or the instruction are delivered wholly on line with students for instance providing online products for far away community partners or in which both are delivered on site and online It considers the instructional potential of common mobile technologies phones tablets and mobile reading devices The authors also address potential limitations such as technology challenges difficulties sustaining three way communication among the instructor community partner and students and added workload The book includes research studies on effectiveness as well as examples of practice such drafting grants for a community partner an informational technology class building online communities for an autism group and an online education class providing virtual mentoring to at risk students in New Orleans from across the country **PT Boat Odyssey** Robert P.
