MacArthur, 2016-03-29 Solomon is known as the wisest man who ever lived His writings in the Old Testament range from practical pithy proverbs to beautiful romantic poetry and all are filled with his knowledge and insights Yet behind those writings stood a flawed man who was conflicted between deep wisdom and tragic folly Sadly the king who warned against so many sins did not follow his own advice and he wound up leading Israel into idolatry Nevertheless his life and writings provide valuable lessons for us today in the twenty first century In this study pastor John MacArthur will guide you through an in depth look at the historical period beginning with Solomon s ascent to the throne and continuing through his tragic end Studies include close up examinations of the vital importance of wisdom with portraits of the wise woman the foolish sluggard and others in the book of Proverbs and careful considerations of doctrinal themes such as True Wisdom from God and A Time for Everything ABOUT THE SERIES The MacArthur Bible Study series is designed to help you study the Word of God with guidance from widely respected pastor and author John MacArthur Each guide provides intriguing examinations of the whole of Scripture by examining its parts and incorporates Extensive but straight forward commentary on the text Detailed observations on overriding themes timelines history and context Word and phrase studies to help you unlock the broader meaning and apply it to your life Probing interactive questions with plenty of space to write down your response and thoughts Strange Fire John F. MacArthur, 2013-11-19 In *Strange Fire* bestselling author and pastor John MacArthur chronicles the unsavory history behind the modern Charismatic movement What would God say about those who blatantly misrepresent His Holy Spirit who exchange true worship for chaotic fits of mindless ecstasy who replace the biblical

gospel with vain illusions of health and wealth who claim to prophesy in His name yet speak errors and who sell false hope to desperate people for millions of dollars The charismatic movement has always been a breeding ground for scandal greed bad doctrine and all kinds of spiritual chicanery As a movement it is clearly headed the wrong direction And it is growing at an unprecedented rate From the Word of Faith to the New Apostolic Reformation the Charismatic movement is being consumed by the empty promises of the prosperity gospel Too many charismatic celebrities promote a Christianity without Christ a Holy Spirit without holiness And their teaching is having a disastrous influence on a grand scale as large television networks broadcast their heresies to every part of the world In *Strange Fire* MacArthur lays out a chilling case against the modern Charismatic movement that includes Rejecting its false prophets Speaking out against their errors Showing true reverence to the Holy Spirit Clinging to the Bible as the inerrant authoritative Word of God and the one true standard by which all truth claims must be tested     **Exposing False Spiritual Leaders** John MacArthur,1986     **Acting on the Good News** John

heard Jesus speak he wrote I saw him I even touched him Just as we would write about someone we knew and loved John told the early believers the truth about the Savior But he didn t let them off the hook without an examination of their lives Pastor
