A Case of Tears Joseph A. McCaffrey, 2025-04-23 Bertrand McAbee has pretty much retired from his private investigative agency ACJ He receives a plea to come to Omaha by one of the richest men in the world CC Balthazar The two men have a rocky history between them from a case many years ago But now CC needs to heal the rift between them His granddaughter Ursula disappeared in Cologne Germany two months ago So far no leads have panned out Disturbing sexually explicit photos of her along with a note were sent to CC As CC s only direct descendant Ursula has been groomed to take over his empire For unclear reasons the kidnappers named McAbee as the person to mediate the process of her return An offer of an extremely rare Greek statue lures McAbee into accepting the task In accepting the assignment McAbee travels to Germany and Portugal where he encounters a criminal enterprise with a vile business model They identify high profile targets for kidnapping who are subsequently drugged beaten and raped as they are trafficked throughout an underground network The victims that survive are then offered back to their loved ones for ransom McAbee eventually makes the bargain for Ursula s safety but brings back to Omaha a broken woman Her physical injuries heal better than her mental ones even though she is treated by a skilled psychiatrist CC again turns to McAbee for assistance Ursula was a brilliant student and especially interested in the classics which was McAbee s specialty when he taught at St Anselm College Could immersion in the classics carefully chosen help Ursula on the road to recovery With this strategy Ursula grows stronger But so does her desire for revenge The criminal enterprise must be destroyed and Ursula wants to play a leading role alongside

Epstein's The Trauma Of Everyday Life Everest Media,2022-03-13T22:59:00Z Please note This is a companion version not the
original book Sample Book Insights 1 The Buddha s Realistic View is the first step in ending suffering It states that trauma in
any of its forms is a fact of life that should not be ashamed of and is not a sign of weakness 2 The Buddha s teachings are
based on a realistic approach to the uncertainties and fears that pervade our lives If we can treat trauma as a fact and not as
a failing we have the chance to learn from the inevitable slings and arrows that come our way 3 I was introduced to
Buddhism when I was a college student It was difficult to understand but it seemed logical It spoke directly to my feelings of
anxiety and promised that there was something concrete to do about them 4 I was drawn to the Buddha s psychology and the
promise of meditation before ever learning about Western therapy I could see that my mind needed work and the Buddha s
prescription of self investigation and mental discipline made sense to me But I soon realized that there was a limit to how far
I could think or reason my way into healing **Dream** Dutch Sheets,2012-04 Bestselling author helps readers recognize and

from the Twelve Step movement Jungian thought Western mysticism and Eastern philosophy to create a path breaking new
synthesis She shows that codependence rather than being a term that labels and limits us is a spiritual crisis with a sacred
