## **Awakening In Pursuit Of The Divine Paradox:**

Awakening Gregory R. Huth, 2000      **Awakening** Gregory R. Huth, 2000 Is belief in God at odds with the theory of evolution and other scientific discoveries Why do people of faith fight and even kill each other although they worship the same God Shouldn't we all be working together to save life on Earth ourselves from ecological collapse *Awakening In Pursuit of the Divine Paradox* calls for all God's people whether from East or West to unite in a Worldwide Great Awakening to preserve the Earth from greed and mindless exploitation It lays the groundwork for a spiritual revolution in which the faithful 1 transcend their differences 2 become one with God and each other and all life and 3 in this unity transform to make peace with ourselves other people and the planet Thought provoking highly readable *Awakening* as noted by *Artyfact* magazine in the United Kingdom presents a personal view of Christian cosmology informed by modern science and the wisdom of the East This sounds like deep stuff and it is but Huth has performed a minor miracle in discussing profound theological issues in an accessible manner without specialist jargon      **The Publishers Weekly**, 2000      **The Sufism of the Rubáiyát, or, the Secret of the Great Paradox** Omar Khayyam, 2022-07-20 In *The Sufism of the Rubáiyát or the Secret of the Great Paradox* Omar Khayyam delves into the intricate interplay between existential questioning and spiritual enlightenment Employing a rich tapestry of quatrains Khayyam articulates the profound Sufi notions of love fate and the nature of reality revealing the paradoxes that underpin human existence The work is a contemplative journey that intertwines lyricism with philosophical depth presenting insights that echo within the broader context of Persian literature where the fusion of metaphysics and mysticism is deeply revered Omar Khayyam a polymath of the 11th century was not only a poet but also a mathematician and astronomer which might have instilled in him a unique perspective on the universe and humanity's place within it His encounters with the Sufi tradition undoubtedly enriched his poetic vision propelling him to explore themes of transcendence and earthly pleasures in a manner that has resonated through centuries Known for his skepticism and rich metaphysical insights Khayyam's background informs his search for meaning and authenticity amidst life's transitory nature Readers are urged to engage with *The Sufism of the Rubáiyát* not merely as a poetic collection but as an evocative exploration of life's mysteries This work invites contemplation and offers a canvas upon which the intricacies of the human experience are artfully painted For those seeking a deeper understanding of Sufi philosophy interwoven with poetic beauty Khayyam's examination is both enlightening and essential      **Library Journal**, 2000      *Storytelling and Ecology* Anthony Nanson, 2021-06-17 Finalist in the PROSE Award 2022 for Language Linguistics Awarded Honors at the Storytelling World Awards 2022 Linking the ongoing ecological crisis with contemporary conditions of alienation and disenchantment in modern society this book investigates the capacity of oral storytelling to reconnect people to the natural world and enchant and renew their experience of nature place and their own existence in the world Anthony Nanson offers an in depth examination of how a diverse ecosystem of oral stories and the dynamics of storytelling as an activity can catalyse different kinds of

conversation and motivation helping us resist the discourse of powerful vested interests Detailed analysis of traditional true life and fictional stories shows how spoken narrative language can imbue landscapes creatures and experiences with enchantment and mediate between the inner world of consciousness and outer world of ecology and community A pioneering ecolinguistic and ecocritical study of oral storytelling in the modern world Storytelling and Ecology offers insight into the ways that sharing stories in each other's embodied presence can open up spaces for transformation in our relationships with the ecological world around us

**Understanding Humanity - The Alignment** MIHAI ILIOI,2025-06-18

Understanding Humanity The Alignment Humanity's relentless quest for meaning and purpose stretches far beyond individual beliefs or the prevailing opinions of society This journey is rooted in a profound paradox one that is anchored in the timeless fabric of eternity At its core lies an unseen uncreated force an essential energy that underpins every facet of our existence Within the chambers of our human complete consciousness lies the ongoing battle of influence The heart may send impulses of emotion desire or pain to the mind seeking immediate action The spirit on the other hand seeks alignment discernment and divine timing This creates tension within the self consciousness the interface where action is initiated If the mind is not attuned to the spirit it may default to fulfilling the heart's own demands and in doing so is bypassing the voice of divine wisdom As sojourners in this temporary manifestation of existence traversing the vast and majestic landscape of life we are often confronted with profound questions Who are we Why are we here What is the true meaning and purpose of our existence Some of these questions may remain unanswered in our lifetimes yet the journey itself the search the wonder and the mysteries of life should never cease to inspire us to awaken our curiosity and to fuel our deepest desires to seek and uncover truth The power to freely express one's thoughts is a real transformative force one that shapes history ignites change and empowers humanity It is the catalyst for innovation the foundation of wisdom and the resounding voice of the human spirit yearning to be heard This book stands as a testament to the courage required to voice one's innermost beliefs to challenge the status quo and to inspire others to seek their own truths To all who embark on the journey of understanding humanity this book is yours With heartfelt gratitude to all my readers your reflections insights and feedback are deeply valued and appreciated Sincerely Mihai Ilioi
