Awakening Of The Puma Initiation Path:

The Awakening of the Puma, Initiation Path James Arévalo Merejildo Chaski, 1997 **Beyond 2012: Catastrophe or Awakening?** Geoff Stray, 2009-05-21 An illustrated encyclopedic overview of the prophecies calendars and theories that indicate the year 2012 is a threshold of great change for humanity Looks at the scientific and anthropological evidence for the rare galactic alignment due to occur in December 2012 Sifts through the catastrophic theories to show what we might really expect in 2012 In December of 2012 the Mayan Calendar s Great Cycle will come to an end Opinion remains divided as to whether apocalyptic scenarios of worldwide destruction or utopian visions of a spiritually renewed humanity will prevail after this key date has passed What is certain however is that a rare galactic alignment will occur one so unique that it is found at the core of many wisdom traditions from around the globe Geoff Stray has been collecting the vast amounts of data relating to the 2012 phenomena since 1982 Far from confining his research to the Maya who provide the most prominent predictions indicating this date will herald significant changes for humanity he has studied the prophetic traditions of other cultures including the Tibetan Chinese Jewish Ethiopian and tribal cultures from around the globe to show the kind of convergence of cosmic purposes happening along a number of parallel tracks This book offers an extensive study of many modern theories including Terence McKenna s timewave zero and Maurice Cotterell s sunspot research as well as anomalous phenomena such as near death experiences and crop circles Sifting through all the scientific research and speculation that the year 2012 has inspired Geoff Stray provides an encyclopedic look at what we might really expect on this pivotal date

Inka Initiation Path James Arévalo Merejildo Chaski, 2002 **Astronomy of the Inca Empire** Steven R. Gullberg, 2020-08-06 Astronomy in the Inca Empire was a robust and fundamental practice The subsequent Spanish conquest of the Andes region disrupted much of this indigenous culture and resulted in a significant loss of information about its rich history Through modern archaeoastronomy this book helps recover and interpret some of these elements of Inca civilization Astronomy was intricately woven into the very fabric of Andean existence and daily life Accordingly the text takes a holistic approach to its research considering first and foremost the cultural context of each astronomy related site The chapters necessarily start with a history of the Incas from the beginning of their empire through the completion of the conquest by Spain before diving into an astronomical and cultural analysis of many of the huacas found in the heart of the Inca Empire Over 300 color images original artwork and many photos captured during the author s extensive field research in Machu Picchu the Sacred Valley Cusco and elsewhere are included throughout the book adding visual insight to a rigorous examination of Inca astronomical sites and history **Sind die Weltreligionen friedensstiftend** Vera Zingsem, 2024-11-19 Weltreligionen und Frieden das scheint auf den ersten Blick zusammenzupassen Insbesondere f hren die drei monotheistischen Religionen das Wort Frieden in Alltag und Gottesdienst durchg ngig auf den Lippen Die Geschichte Gottes mit dem Menschen scheint so etwas wie eine Befreiungs und Befriedungsgeschichte gewesen zu sein Doch der Schein tr gt

bei genauem Hinsehen wie so oft Die Autorin zeigt auf dass und inwieweit der Unfrieden trotz gegenteiliger Behauptungen bereits im Kern der drei monotheistischen Religionen Judentum Christentum Islam angelegt ist Heilsgeschichte erscheint nur zu oft als Kriegsgeschichte und die u ert sich in einem erbitterten Kampf gegen alle Ungl ubigen Im Buch werden ber die asiatischen Religionen aber auch ber die Gedankenwelt polytheistischer und schamanischer Kulturen wie z B unsere eigene Auswege aus der Sackgasse der Intoleranz gesucht und gefunden

Großer Hüftling, Woableza Rat der Einheimischen Spirituelltesten. *Radical Passions* Kendall Hale, 2008-11-02. The author takes you right along with her as she protests on the barricades during the tumultuous 1960s, works in a shipyard in the 1970s, builds a health clinic in Nicaragua in the 1980s, turns 50 in Peru in 2000 and searches for inner peace and balance every step of the way. These pages reveal how Kendall did indeed fulfill her destiny as a seeker-warrior and to the reader's good fortune is now a writer as well. Don't miss it! Max Elbaum author *Revolution in the Air* Brimming with honesty, humor and zeal, Kendall Hale's memoir shares her remarkable journey from youthful adolescence to thoughtful maturity in *Radical Passions*. Shaped within the context of major historical events from the turbulent 1960s to today, Hale follows her evolution from being the daughter of Mormon parents to becoming a member of the Students for a Democratic Society and achieving spiritual maturity in her later years. Hale's journey is personal yet universal. She explores her early college years protesting the Vietnam War, her young adulthood struggles in Boston with the new communist feminist and labor movements, and her transition to marriage and family. From her search for the socialist dream in Castro's Cuba, Mao's China, and Nicaragua during the Contra War to her role as a wife, mother, and veteran of a fractured marriage, Hale reveals her growing understanding of the world around her. A move to Asheville, North Carolina, spurred the birth and maturation of her spiritual quest. Hale describes how therapy, Buddhism, and spiritual travels in India, South America, and the Pacific led her back to the Blue Ridge mountains in a community replete with rednecks, polygamists, voracious developers, environmentalists, and New Age dreamers. Transitioning into menopause and the second half of life, Hale faces the challenges of aging and its potential flowering of wisdom and integration. A story for all who seek deeper meaning in their lives, *Radical Passions* is the inspiring tale of an ordinary woman's extraordinary life.
