from wrong The experiences and challenges the soul has while living in this Earthly life school contribute to the soul's growth When a soul learns lessons it is intended and expected to grow and enhance from the experience Yet there are a great many souls who do not learn lessons and remain in the same spot until the end of their life The worst of the bunch are the ones wreaking all kinds of destruction hate judgment and heartache in its wake In Darkness of Ego author Kevin Hunter infuses some of the guidance messages and wisdom he's received from his Spirit team surrounding all things ego related The ego is one of the most damaging culprits in human life Therefore it is essential to understand the nature of the beast in order to navigate gracefully out of it when it spins out of control Some of the topics covered in Darkness of Ego are humanity's destruction mass hysteria karmic debt the power of the mind heaven's gate the ego's war on love and relationships as well as psychic insights psychic timing and much more What Readers Have Said I want to point out that the book Darkness of Ego is no assault to me Speaking the truth even the harsh truth is no assault It's stirring awakening disturbing even I see the assault coming from those who let their egos slaughter all love in the world The bearer or revealer of bad news is not to be blamed the perpetrator or causer is If I have to choose I'll prefer the bitter truth over a sweet lie Because I want to know exactly where I stand Even if the bitter truth is haunting me and the sweet illusion would have been all I've ever wanted That's why I appreciated the book Darkness of Ego A Reader Author Kevin Hunter a Warrior of Light provides a sharp and direct view on everything ego related in our earthly lives in his book Darkness of Ego He advises and encourages us to be aware of the ego and to decide for a path of love I appreciate this book very much A Reader I loved the Darkness of Ego book I was in tears several times releasing and healing tears I'm so grateful for the blunt delivery of facts the author provides When this book came out I said to myself Oh no this is a negative one I don't want to read any more negative stuff There is enough darkness out there and this book will not make it onto my bookshelf I was going through a personal crises and at that exact same time I was heavily guided to buy the Darkness of Ego book After having finished Chapter 4 I skipped to Chapter 8 on Soul Connections I was stunned at how enjoyable that chapter was Not dark at all I heard that the author wrote the Realm of the Wise One book and Darkness of Ego book at the same time Wise One's are familiar with dealing with the dark for so long He describes the Wise One's realm in one book and focused on the dark Ego in the other one The Ego book is almost now seen as an extension of the Wise One book A Reader
