Lummis, 2015-06-24 Excerpt from *The Awakening of a Nation Mexico Of to Day* It was in my heart whether in my head or not to have made this a definitive picture of Mexico to day for beyond what sentiment may care for mere truth as a means of grace a certain Americanism in me gropes towards the day when we shall no longer sniff ignorantly at all outside our boundaries But as even more exigent duties already stretch my work hours to twenty in every twenty four of the year the pleasure must be foregone of putting what little I know to paper These pages then largely as they were written for Harper s Magazine are submitted not as a description of Mexico but as a finger board along the path
