Awakening Dzogchen Ponlop, 2003-12-16 *Mahamudra and Dzogchen* are perhaps the most profound teachings within all of Tibetan Buddhism The experience of Mahamudra or great symbol is an overwhelming sense of extraordinary clarity totally open and nondualistic Dzogchen or great perfection is the ultimate teaching according to the Nyingma tradition and also represents the pinnacle of spiritual development These are the two paths that provide practitioners with the most skillful means to experience the fully awakened state and directly taste the reality of our mind and environment And yet these concepts are notoriously difficult to grasp and challenging to explain In *Wild Awakening Tibetan Buddhist master Dzogchen Ponlop Rinpoche* presents these esoteric teachings in a style that reveals their surprising simplicity and great practical value

emphasizing that we can all experience our world more directly with responsibility freedom and confidence With a straightforward approach and informal style he presents these essential teachings in a way that even those very new to Tibetan Buddhism can understand **Original Nature** Sokei-An Sasaki,2012 Original Nature is the historic translation and commentary on the Platform Sutra of the Sixth Patriarch of Chinese Zen by America s first Zen Master Sokei an Sasaki 1882 1945 Finally available 75 years after its completion Sokei an considered the Sixth Patriarch s message an essential foundation for the transmission of Zen to America I think the Sixth Patriarch never dreamed that his record would be explained to Westerners in New York I feel that I am in a valley between huge mountains and that the ancient simple minded woodcutters fisherman monks and nuns who are living in the mountains have come to the place where they always make their gatherings and that I am one of them now The Hidden "God" Peter Baekelmans,2022-05-27 Theology means discourse about god Christian theology is a reflection on the Christian faith in which God takes a central place Therefore the Christian theology of other religions seeks to understand if and how God as Christians call their experience of Him may be present in the thought devotion and ritual of those other religions Christian theology of Buddhism is then a Christian reflection on the Buddhist faith in god or gods Now Buddhist teaching contains many seeming contradictions as does Christian teaching Accepting these and looking for clues to understand how they came about and how they might be reconciled is not only an intellectual challenge but also a religious duty The Hidden God feels like a detective story taking the reader along on an exacting investigation of the manifold themes concepts and persons of the different Buddhist faith traditions in order to discern whether they can be related to the Christian understanding of who God is The result which is both complex and simple will enable readers to take steps toward uniting both religions in the mystery that God or the Dharma is **Good Karma** Thubten Chodron,2016-08-09 Training the mind in the habit of happiness enlightening commentary on a classic Tibetan Buddhist teaching poem by a popular modern teaching nun Lojong or mind training is a practice that has gained astonishing popularity in recent years because it works in transforming hearts and minds Here is a presentation of lojong teachings that predates the slogan practice with which people have become so familiar through the books of Pema Chodron and others and that is every bit as powerful for imbuing the mind with intelligence and the heart with compassion It is Thubten Chodron s commentary on a Tibetan poem with the imposing title Wheel of Sharp Weapons It is as the title of this book indicates an explanation of how karma works in our lives But in explaining how to create good karma and avoid the negative effects of bad karma it shows us how to live our lives with kindness and honesty which makes things better not only for ourselves but also for everyone else in the world *The Concept of Bodhicitta in Śāntideva's Bodhicaryāvatāra* Francis Brassard,2012-02-16 This book explores an important concept within the Buddhist Mahayana tradition bodhicitta This term appears frequently in Sanskrit literature relating to the spiritual practices of the bodhisattva in Mahayana Buddhism and has been variously translated as thought of enlightenment or desire of enlightenment Francis Brassard offers a contextual analysis of bodhicitta based on the

presuppositions underlying the spiritual practice of the bodhisattva Since the understanding that emerges involves how one ought to view the process of spiritual transformation this work contributes to Buddhist psychology and soteriology in particular and to comparative religions in general The book surveys the various interpretations of the concept of bodhicitta analyzes its possible functions in the context of the spiritual path of the aspirant to enlightenment and discusses an understanding of bodhicitta in the context of the ntideva s Bodhicary vat ra
