Awesome Teacher:

The Slightly Awesome Teacher Dominic Salles,2016-08-15 Most books on teaching ask teachers to be inspirational to operate at 100 miles an hour with creativity oozing out of every pore Dominic Salles says that s unsustainable But you can get brilliant results using some simple practices taken from the myriad of educational research on classroom practices It isn t a guide to all the extra stuff you should do to become cool and awesome It is a book that will get you to forget about teaching and think about learning another way of saying it will help you to stop stressing about what you do and get the students to work harder and smarter at what they do Dominic Salles believes that every teacher can be slightly awesome And here he shows you how

Notes From a Cool Teacher Edward Janusz,2003-10 Notes from a Cool Teacher is essentially a how to book It will show you how being considered cool in the classroom can make you a more effective dynamic teacher particularly in the area of classroom management The word cool is ignored and grossly underrated by teachers and those in education but not and it s a big not by the students All of us can remember a cool teacher in our past who not only instructed but also was inspirational That teacher was rebellious sensitive and caring they made us want to pay attention with their fresh approach to teaching and in return we respected them and took to heart what was taught Edward Janusz provides a new perspective regarding classroom management Notes From a Cool Teacher is not an academic and administrative friendly the typical principal would hardly approve It does not diminish or deny the distress student misconduct has on sinking burnt out teachers Nor does it simply propose exclusively raising a student s self esteem as a path to good behavior This book is an underground text written from one teacher to another providing controversial aggressive results orientated strategies to achieve classroom control

other biblical studies Henry Thorne (evangelist.),1893 Great Leader, Great Teacher Gary Bredfeldt,2006-08-01 So many leadership philosophies even within the church are based on worldly examples of success Bredfeldt calls readers to be what the Bible empowers them to be teachers who follow Christ s example of leading by serving What Makes A Great Bible Teacher? Dr. Stephen Zemanek,2017-02-03 We have all had opportunity to sit under biblical teachers who inspired us We have all had the misfortune of sitting under biblical teachers who made their subject matter appear dull and pointless After sitting under several of both types of teachers Dr Zemanek has put this book together It is Dr Zemanek s contention that there are four basic principles that every great teacher has developed as part of their lives What Makes A Great Bible Teacher is deliberately designed to be a quick read The goal of the book is to help each teacher then professional and the periodic to focus on what makes a genuinely great teacher What Makes A Great Bible Teacher is a wonderful little book designed to help you take advantage of the four basic principles required to be a great teacher Great Teachers Great Britain. Parliament. House of Commons. Education Committee,2012 Additional written evidence is contained in Volume 3 available on the Committee website at www.parliament.uk/education-committee **Great Teachers** Barbara Bruns,Javier Luque,2014-10-28 This book analyzes teacher quality in Latin America and the Caribbean which is the key to faster education progress Based on new research in 15 000 classrooms in seven different countries it documents the sources of low teacher quality and distills the global evidence on practical policies that can help the region produce great teachers **How to Get All Teachers to Become Like the Best Teachers** Todd Whitaker,2024-12-02 There are dramatic differences in the quality of teachers in every school Every building has teachers who consistently engage students and deliver high quality instruction Every building also has teachers with varying ranges of ability If all teachers could be more like the best teachers then we would have significant improvement in every school In this important book Todd Whitaker demonstrates how this can really be achieved With inspiration humor and practical advice Whitaker shares the qualities of the best teachers and how we can teach these qualities to others He shows how the best teachers emphasize the learning relationship focus only on what they can influence and use effective classroom management involving filtering proximity redirection and business mode He then explains how we can coach other teachers by showing not telling by creating subcultures and learning experiences and by leading the way Finally Whitaker describes the importance of hiring highly talented people who form new lines rather than fall in line He provides strategies for asking the right interview questions for choosing the right mentors and for selecting the best hosts for student teachers No matter how education changes there are always outstanding teachers making a difference We can grow our schools by helping even more teachers become exceptional **What Do Great Teachers Say?** Hal Holloman,Peggy H.
