

Ayatollah Khomeini

Stephen E. Hughes

Ayatollah Khomeini:

A Critical Introduction to Khomeini Arshin Adib-Moghaddam, 2014-02-10 As the architect of the Iranian Revolution of 1979 Ayatollah Khomeini remains one of the most inspirational and enigmatic figures of the twentieth century The revolution placed Iran at the forefront of Middle East politics and the Islamic revival Twenty years after his death Khomeini is revered as a spiritual and political figurehead in Iran and in large swathes of the Islamic world while in the West he is remembered by many as a dictator and the instigator of Islamist confrontation Arshin Adib Moghaddam brings together distinguished and emerging scholars in this comprehensive volume which covers all aspects of Khomeini s life and critically examines Khomeini the politician the philosopher and the spiritual leader while considering his legacy in Iran and further afield in other parts of the Islamic world and the West Written by scholars from varying disciplines the book will prove invaluable to students and general readers interested in the life and times of Khomeini and the politics that he inspired **Ayatollah Khomeini**

Edward Willett, 2003-12-15 Examines the life and leadership skills of Ayatollah Khomeini who established the ideal Islamic state in Iran and encouraged Muslims worldwide to demonstrate against non Islamic nations Ayatollah Ruhollah

Khomeini Daniel Harmon, 2013 An Iranian cleric who criticized the modernization efforts of the Shah of Iran Mohammed Reza Pahlavi Khomeini called for a fundamentalist Islamic state in Iran **Khomeini** Baqer Moin, 2009-07-15 When the

Ayatollah Khomeini burst onto the international scene in the late 1970s radical Islam became a factor of political life that would change the world And with the Iranian Revolution that Khomeini led in 1978 79 religion once more moved center stage in world politics Who was this frail octogenarian who became the inspiration for a new militant Islam Khomeini was the most radical Muslim leader of this age He launched an Islamic revival movement which quickly turned him into a hero for his supporters and a villain for his enemies In the process Khomeini became one of the seminal figures of the modern age Still an enigma in the West Khomeini transformed the Middle East and the world But where did the man come from What was his childhood and family background How did the turbulent events in Iran during his youth shape Khomeini s politics What changed him from an obscure traditional theologian into a competitive and vengeful radical set to reshape the Middle East With radical political Islam now clearly central in all attempts to understand the international political scene today this compelling biography of the man who started it all becomes essential reading for observers of the Middle East and world affairs Ayatollah Ruhollah Khomeini Daniel E. Harmon, Anne M. Todd, 2009 Chronicles the life of the man who advocated

nonviolent resistance leading India to independence from Britain with quotes and a timeline **Ayatollah Khomeini Through the Lens of the Iran-Iraq War** Meysam Tayebipour, 2023-01-01 This book clarifies Khomeini s views on nationalism sectarianism and peace and war by putting the Iran Iraq war at center of understanding of Khomeini s ideology Moreover by making comparisons between Khomeini s thoughts before and after the revolution with his words during the Iran Iraq war this book helps us see how his discourse during the conflict was shaped by such thoughts Also such a

comparison helps us understand the complexities of Khomeini's doctrines and their evolvments. Additionally, by offering a unique set of methodological tools, this book introduces a new way to study political leaders in Iran and other parts of the Middle East.

Creating an Islamic State Vanessa Martin, 2003-03-28 How did the Ayatollah Khomeini create his Islamic state? What were the ideas which drove him and his movement? What organization and methods helped bring him to power? This book analyses the ideological roots of an Islamic state as conceived by the Ayatollah Khomeini. Surprisingly, the author finds much of the inspiration behind Khomeini's political thinking being influenced by Western sources: his writing on the supreme Islamic Jurist being affected by Plato's notions of the philosopher king and his views of state power and centralism being closely linked to his understanding of Marxist-Leninist totalitarianism. Vanessa Martin considers the dynamics of the Iranian Revolution and the Islamist revival in a book which is especially relevant in the context of the debate arising out of Iran's elections.

The Rise of the Islamic Republic of Iran Stephen E. Hughes, 2015-07-15 The Islamic Republic of Iran is a revolutionary theocratic totalitarian state formed in 1979 following the overthrow of the last Shah monarch Muhammad Reza Pahlavi. Grand Ayatollah Ruhollah Khomeini was the leader of the revolution and then of the Islamic Republic until his death in 1989. It was Ayatollah Khomeini who created the Islamic theology of suicide bombing which has engulfed the world. Iran at one time was one of America's strongest allies in the Middle East. Tehran was held in high esteem and maintained friendly relations throughout the region, including Israel. Under the Shah, Iran was the first Muslim Nation to recognize the State of Israel. The Rise of the Islamic Republic of Iran is an account of how one man, Ayatollah Khomeini, changed the face of the Nation of Iran. This is an exploration of the ascent of Khomeini, who refashioned the state of Iran with his radical religious ideology into a leader of international terrorism.

Reinventing Khomeini Daniel Brumberg, 2001-04-15 Reinventing Khomeini offers a new interpretation of the political battles that paved the way for reform in Iran. Brumberg argues that these conflicts did not result from a sudden ideological shift nor did the election of President Mohammad Khatami in 1997 really defy the core principles of the Islamic Revolution. To the contrary, the struggle for a more democratic Iran can be traced to the revolution itself and to the contradictory agendas of the revolution's founding father, Ayatollah Ruhollah Khomeini. A complex figure, Khomeini was a fervent champion of Islam, but while he sought a Shi'ite vision of clerical rule under one Supreme Leader, he also strove to mesh that vision with an implicitly Western view of mass participatory politics. The intense magnetism and charisma of the ayatollah obscured this paradox. But reformers in Iran today, while rejecting his autocratic vision, are reviving the constitutional notions of government that he considered and even casting themselves as the bearers of his legacy. In Reinventing Khomeini, Brumberg proves that the ayatollah is as much the author of modern Iran as he is the symbol of its fundamentalist past.

The Political Ideology of Ayatollah Khamenei Yvette Hovsepian-Bearce, 2015-07-03 Ayatollah Ali Hosseini Khamenei, Supreme Leader of the Islamic Republic of Iran, is one of the most controversial and influential Muslim leaders in the world today. As Iran's main decision maker, his theocratic ideology

and decisions carry global consequences The Political Ideology of Ayatollah Khamenei is the first book to identify and analyze the development and evolution of the theocratic ideology of the Supreme Leader from 1962 to 2014 using his own writings speeches and biographies as well as literature published in the Islamic Republic of Iran This work provides new insights into Khamenei s political thought and behavior and their impact on Iran s domestic regional and international policies Correlating the development of Khamenei s personality character and political behavior with Iran s internal and external challenges this study explores key issues of the Middle East region in particular Iran s political posture toward Israel the United States and the Muslim world and the diplomatic crises unfolding over Iran s nuclear development program This work provides a comprehensive chronological and thematic survey of Khamenei s life This book will be of interest to students scholars researchers diplomats and policymakers focusing on Middle Eastern politics Iranian affairs Islamic studies and international relations and could serve as an essential resource for those striving to understand Iran s policies toward Israel the United States and the Muslim world as shaped by its supreme autocrat **New York Magazine** ,1979-12-24 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea *After Khomeini* Anoushiravan Ehteshami,2002-03-11 For Iran the years since Ayatollah Khomeini s death have been dominated by the need for political consolidation and economic reconstruction The book assesses the critical dilemmas of the regime both previous to and since the demise of its first spiritual leader The vital issues of political succession and constitutional reform are addressed contributing to an analysis of the structures and politics of power How these have reflected upon economic policy is considered with close attention being given to the reform policies of Rafsanjani Foreign policy and security issues are discussed in both regional and global terms and include a study of Iranian defence strategy and its controversial re armament drive The final chapter examines the direction and context of all of these major policy areas providing an analysis of whether the Islamic Republic truly represents a revolutionary alternative for the Third World or whether in fact it has developed in time to fall within a similar mould to other notable revolutions casting by the wayside any uniquely Islamic agenda and alternatives At the heart of this study is the belief that the Islamic regime has since the cease fire with Iraq but more specifically since Ayatollah Khomeini s death passed into a new stage of development referred to in the book as the Second Republic **Khomeini'S Warriors** Mehran Riazaty,2016-05-11 This book analyzes Ayatollah Khomeinis ideology Irans official and unofficial armed forces and its allies throughout the world and provides photographs of the regimes predominant actors Since 1892 the Shia clergy has played a major role in Iran such as the tobacco boycott which led to the withdrawal of the concession given by the Shah to British citizens Irans Constitutional Revolution of 1906 as well as

organizing opposition to the Shahs policies in the 1979 revolution Ayatollah Khomeini was a lecturer at Hawza Ilmiyya Shia seminary of traditional Islamic school of higher learning of Najaf and Qom for decades before he came on to the Iranian political scene In 1977 Khomeini assumed the mantle of leadership within the Islamist opposition after the death of Ali Shariati a leftist intellectual and one of the most influential Iranian Muslim thinkers of his generation In 1930 Shariati contributed a new line of thinking in Iran through his reinterpretation of jihad and shahadat martyrdom which was presented in his view of an authentic Islam Shariatis new authentic Islam centered on a reinterpretation of the story of Karbala where Imam Hussein was martyred in a battle refusing to pledge allegiance to Yazid the Umayyad caliph Shariati borrowed the Christian concept of martyrdom from the Crucifixion and Resurrection of Jesus as the basis of his new Islamic philosophy Shariati wrote that when faced with the possibility of ones own death one must adopt an attitude of freedom toward death and thereby experience authentic living In 1978 Ayatollah Khomeinis reinterpretation of Shia rituals removed the borders between the audience and the actors turning the entire country into a stage for his casting He imbued the old passion of the story of Karbala with a new passionate hatred for the Shahs unjust rule in Iran as well as Israels and the United States influences within the world Khomeinis memory of Dr Mohammed Mosaddegh whose government was toppled by the CIA in 1953 returning the Shah to Iran resulted in the rise of various political groups such as nationalists liberals secularists and Marxists These groups were essential in assisting Khomeinis overthrow of the Shah though they were soon stomped out by the creation of the Islamic Revolutionary Guard Corps IRGC in May 1979 in order to protect Khomeinis unique brand of a Shia Islamic Revolution The Iran Iraq War initiated the rapid expansion of the IRGCs size and capabilities In September 1980 the IRGC had only 30 000 men in lightly armed units Prior to the war the IRGC personnel were very young in age and had little to no military experience By the summer of 1981 the IRGC had organized basic training centers with experienced commanders and a select group of regular officers They also had 50 000 members and its strength would jump to 100 000 in 1983 and 250 000 in 1985 In order to meet all its manpower needs on the Iraq war front the IRGC then turned to its volunteer militia the Basij The Basij members provided more troops than the IRGC could arm The average Basij member came from Irans rural areas and can be described as poor uneducated and ranged in age from twelve to thirty years old Like the IRGC the Basij members are motivated by both religion and ideology After the Iran Iraq War the IRGC focused on external threats as the Basij increased its involvement in domestic affairs In past years the Basij militia has been active in controlling public gatherings and disrupting demonstrations by civil or student activists

The Political Ideology of Ayatollah Khamenei Yvette Hovsepian-Bearce, 2015-07-03 Ayatollah Ali Hosseini Khamenei Supreme Leader of the Islamic Republic of Iran is one of the most controversial and influential Muslim leaders in the world today As Iran s main decision maker his theocratic ideology and decisions carry global consequences The Political Ideology of Ayatollah Khamenei is the first book to identify and analyze the development and evolution of the theocratic ideology of the Supreme Leader from 1962

to 2014 using his own writings speeches and biographies as well as literature published in the Islamic Republic of Iran This work provides new insights into Khamenei s political thought and behavior and their impact on Iran s domestic regional and international policies Correlating the development of Khamenei s personality character and political behavior with Iran s internal and external challenges this study explores key issues of the Middle East region in particular Iran s political posture toward Israel the United States and the Muslim world and the diplomatic crises unfolding over Iran s nuclear development program This work provides a comprehensive chronological and thematic survey of Khamenei s life This book will be of interest to students scholars researchers diplomats and policymakers focusing on Middle Eastern politics Iranian affairs Islamic studies and international relations and could serve as an essential resource for those striving to understand Iran s policies toward Israel the United States and the Muslim world as shaped by its supreme autocrat *Eminent Persians* Abbas Milani,2008-12-19 As the 25th anniversary of the Islamic Revolution approached Abbas Milani realized that very little if any attention had been given to the entire prerevolutionary generation Political upheavals and a tradition of neglecting the history of past regimes have resulted in a cultural memory loss erasing the contributions of a generation of individuals *Eminent Persians* seeks to rectify that loss Milani s groundbreaking portrait of modern Iran reveals the country s rich history through the lives of the men and women who forged it Consisting of 150 profiles of the most important innovators in Iran between World War II and the Islamic Revolution the book includes politicians entrepreneurs poets artists and thinkers who brought Iran into the modern era with brilliant success and sometimes terrible consequences The biographies and essays weave a richly textured tapestry of lives ideas and events that reveals the true story of these decades in the life of a nation The two volumes are divided into sections on politics economics and culture each accompanied by an introductory essay that places the individual stories in their broader historical context Drawn from interviews extensive archival material and private correspondence *Eminent Persians* is a treasure trove of original documents many appearing in print for the first time Detailed sketches of personalities and personal foibles offer a compelling and highly readable account of this remarkable period of history on a human scale **The Life and Times of Ayatollah Khomeini** Mir Ali Asghar Montazam,1994

Khomeini's Ghost Con Coughlin,2009-02-20 On 1 February 1979 Ayatollah Khomeini returned to Iran to a tumultuous welcome and the Iranian revolution that that he masterminded has become one of the defining moments of the modern age Today the challenge of radical Islam represents the greatest threat to world peace seen since the darkest days of the Cold War and the legacy of Khomeini s Islamic Revolution lies at the heart of many of the world s most intractable conflicts *Khomeini s Ghost* is the definitive biographical account of how an impoverished young student from a remote area of southern Iran came to be the political and the spiritual leader of his country Drawing on a wide variety of Iranian sources including religious figures who knew and worked with Khomeini both in exile and in power Con Coughlin examines in detail the principles of Khomeini s Islamic Revolution and the impact of his legacy today whether it is in Iran s support for radical

Islamic groups or Iran's commitment to developing an atom bomb Frighteningly topical compellingly readable and written with authority and profound understanding of the subject this is political biography at its best Khomeini's the Little Green Book Ayatollah Khomeini, 2016-12-21 The Little Green Book is a collection of fatawah handed down by the most prominent and arguably one of the most influential Muslim clerics in modern history the Grand Ayatollah Seyyed Ruhollah Mosavi Khomeini commonly known as the Ayatollah Khomeini Fatawah the plural of fatwah are Islamic religious decrees sent down by Muslim religious leaders Since Islam demands that Muslims abide by Sharia Islamic law as individuals and as a society these fatawah are not simply religious insights or advice They are legal pronouncements and define the law of the land in an Islamic country In his unrivaled role as Iran's Supreme Leader and the highest ranking cleric for Shi'a Muslims the Ayatollah Khomeini's fatawah guided the lives of more Shi'a Muslims than did any other Islamic leader throughout history *Iran's Religious Leaders* Paul M. Shaper, 2009-08-15 Discusses the modern political history of Iran from the powers of the Shah in the early twentieth century to the Islamic Revolution and describes the role of religion in Iranian government today *In the Name of God* Robin B. Wright, 1989 Wright a three time Pulitzer nominee surveys ten years of bitter revolution in Iran the world's most strategic nation
