Baseball's Dead of World War II Gary Bedingfield, 2015-01-27 While most fans know that baseball stars Ted Williams, Hank Greenberg, and Bob Feller served in the military during World War II, few can name the two major leaguers who died in action. They were catcher Harry O'Neill and outfielder Elmer Gedeon. Far fewer still are aware that another 125 minor league players also lost their lives during the war. This book draws on extensive research and interviews to bring their personal lives, baseball careers, and wartime service to light.

Heroes in Dungarees Estate of: John Bunker, 2013-01-15 A World War II merchant seaman John Bunker takes a thorough look at the American merchant marines' significant contributions to the war effort. There are plenty of fascinating facts about their extensive supply operations, but the focus of the book is on the men and their often heroic actions. Bunker draws from his own experiences to describe the action at sea and also includes the personal stories of many other civilian participants. It is an engaging portrayal of the courage, bravery, and ingenuity demonstrated by these merchant seamen. All theaters of operation using U.S. merchant ships are covered. In addition, Bunker provides information on events before the country entered the war when efforts were being made to build more ships and to recruit the men necessary to crew the huge fleet.
