Paramahamsa Hariharananda Giri a direct disciple of Sri Yukteshwar and a peer to Yogananda She experienced her final Awakening where she became ONE with the Universe at the cave of Mahavatar Babaji that Yogananda cites in his book She took the treacherous Siddhartha Road to Awakening that spanned over 25 years of her various spiritual practices Yoga Sutras of Patanjali and the Siddhas Marshall Govindan, 2001-01 Patanjali s Yoga Sutras are universally considered to be among the two or three most important texts in the field of yoga Patanjali refers to his yoga as Kriya Yoga the yoga of action with awareness Until now commentators have treated it as a philosophical reference and have largely ignored its implications for yogic practice They have also ignored the fact that it is also an esoteric work and that only initiates with sufficient prior experience can grasp its deeper meaning This new translation and commentary provides a practical guide to Self realisation or enlightenment It clearly explains how to apply Patanjali's profound philosophical teachings in everyday life in any situation with a unique practice section after each verse's commentary There is also comparison with Thirumandiram a classic work of the siddha tradition **Seven Lessons in Conscious Living** Roy Eugene Davis,2000-12-31 A systematic manual for learning the history and lifestyle of Kriya Yoga the tradition of Yogananda that goes back through Sri Yukteswar to Lahiri Mahasaya Roy Davis was initiatesd by Yogananda himself 50 years ago and is thus in the direct line of transmission of this movement The seven lessons are systematically set out with exercise at the end of each chapters The serious student will gain a great deal from careful reading and following the practices outlines in the book How I Became a Disciple of Babaji Marshall Govindan, 1997 The inspiring story of a young man's guest for God and self realisation through Babaji's Kriya Yoga Marshall Govindan is the author of Babaji and the 18 Siddha Kriya Yoga Tradition and a long time disciple of Babaji the immortal Himalayan Yogi From early years of seeking through ascetic trials in India and Sri Lanka filled with adventure and difficulties the author shares a rare story with unusual candour and courage His inspiring story provides rare insights into a little known world
