*Minority Student Opportunities in United States Medical Schools 2007* Aamc,2007      **The Successful College Athletic Program** John R. Gerdy,1997 John Gerdy offers a critical analysis of how athletic programs can contribute to the mission of a college or university in meaningful ways beyond their roles in providing revenue and entertainment He explores the history of athletic programs and then offers a philosophical rationale for setting a new standard against which the success of college athletic programs should be measured Rather than focusing on the level of funds generated or on the number of championships won this new standard offers a basis for determining how successful a college athletic program is in helping the institution meet its many challenges and educational goals
