1520 Into A Golden Land:

German Histories in the Age of Reformations, 1400-1650 Thomas A. Brady, 2009-07-13 This book studies the connections between the political reform of the Holy Roman Empire and the German lands around 1500 and the sixteenth century religious reformations both Protestant and Catholic It argues that the character of the political changes dispersed sovereignty local autonomy prevented both a general reformation of the Church before 1520 and a national reformation thereafter The resulting settlement maintained the public peace through politically structured religious communities confessions thereby avoiding further religious strife and fixing the confessions into the Empire s constitution The Germans emergence into the modern era as a people having two national religions was the reformation s principal legacy to modern Germany

From Puritanism to Postmodernism Richard Ruland, Malcolm Bradbury, 2016-04-14 Widely acknowledged as a contemporary classic that has introduced thousands of readers to American literature From Puritanism to Postmodernism A History of American Literature brilliantly charts the fascinating story of American literature from the Puritan legacy to the advent of postmodernism From realism and romanticism to modernism and postmodernism it examines and reflects on the work of a rich panoply of writers including Poe Melville Fitzgerald Pound Wallace Stevens Gwendolyn Brooks and Thomas Pynchon Characterised throughout by a vibrant and engaging style it is a superb introduction to American literature placing it thoughtfully in its rich social ideological and historical context A tour de force of both literary and historical writing this Routledge Classics edition includes a new preface by co author Richard Ruland a new foreword by Linda Wagner Martin and a fascinating interview with Richard Ruland in which he reflects on the nature of American fiction and his collaboration with Malcolm Bradbury It is published here for the first time

The Age of the Reformation Preserved Smith, 2024-01-20 Preserved Smith Ph D 1880 1941 was an American historian best known for his works on the Protestant Reformation The Age of the Reformation is his greatest work as it is a comprehensive analysis of the economic intellectual and social aspects of Protestantism in the 16th Century Facsimile reprint edition

Bring Out Your Dead Anthony Grafton, 2001 The work of the Renaissance humanists comes to life in Anthony Grafton s exploration of the primary sources and modern scholarship classical and modern elements in the world of European letters from the fifteenth to the nineteenth century Tracing the ties that bound the world of humanistic learning in early modern Europe to other social and cultural spheres Grafton defines the current state of the art of scholarship on early modern European cultural and intellectual history while simultaneously demonstrating how entertaining enlightening and relevant that history can be Covering a dazzling variety of topics and authors as different as Alberti and Descartes Grafton maps the grand and meticulous efforts of the past to connect the realm of nature with that of books the realm of everyday experience with that of passionate reading in massive tomes and the realm of codes of etiquette and institutions with that of extravagant and joyous erudition efforts that this book itself brilliantly carries on

Age , 1870 **Imagining the Americas in Medici Florence** Lia Markey, 2016-11-30 The first full length study of the
impact of the discovery of the Americas on Italian Renaissance art and culture Imagining the Americas in Medici Florence
demonstrates that the Medici grand dukes of Florence were not only great patrons of artists but also early conservators of
American culture In collecting New World objects such as featherwork codices turquoise and live plants and animals the
Medici grand dukes undertook a vicarious conquest of the Americas As a result of their efforts Renaissance Florence boasted
one of the largest collections of objects from the New World as well as representations of the Americas in a variety of media
Through a close examination of archival sources including inventories and Medici letters Lia Markey uncovers the
provenance history and meaning of goods from and images of the Americas in Medici collections and she shows how these
novelties were incorporated into the culture of the Florentine court More than just a study of the discoveries themselves this
volume is a vivid exploration of the New World as it existed in the minds of the Medici and their contemporaries Scholars of
Italian and American art history will especially welcome and benefit from Markey s insight
