A. Gallion, 1865 **40 Questions About Heaven and Hell** Alan W. Gore, 2018-11-27 In 40 Questions About Heaven and Hell Alan Gomes surveys the Old and New Testaments to present a comprehensive picture of the afterlife The question and answer format makes it easy to find answers to specific questions on heaven hell the intermediate state the final judgment and life in eternity Readers will find solid answers to many vital questions What should we conclude about those who claim to have seen heaven or hell Is it possible for us to communicate with the dead Is there such a place as purgatory What will our resurrected bodies be like What will we do in the eternal state Will there be animals in the eternal state What is hell like How can a God of love send people to an eternal hell Did Jesus descend into hell like the Apostles Creed says Study notes point to additional resources for learning and reflection questions at the end of each chapter make the book ideal for small group studies Values and Vaccine Refusal Mark Navin, 2015-09-16 Parents in the US and other societies are increasingly refusing to vaccinate their children even though popular anti vaccine myths e g vaccines cause autism have been debunked This book explains the epistemic and moral failures that lead some parents to refuse to vaccinate their children First some parents have good reasons not to defer to the expertise of physicians and to rely instead upon their own judgments about how to care for their children Unfortunately epistemic self reliance systematically distorts beliefs in areas of inquiry in which expertise is required like vaccine immunology Second vaccine refusers and mainstream medical authorities are often committed to different values surrounding health and safety For example while vaccine advocates stress that vaccines have low rates of serious complications vaccine refusers often resist vaccination because it is unnatural and because they view vaccine preventable diseases as a natural part of childhood Finally parents who refuse vaccines rightly resist the utilitarian moral arguments for the greater good that vaccine advocates sometimes make Unfortunately vaccine refusers also sometimes embrace a pernicious hyper individualism that sanctions free riding on herd immunity and that cultivates indifference to the interpersonal and social harms that unvaccinated persons may cause An Exposition of the Thirty-nine Articles Edward Harold Browne, 1860 **They Who Endure to the End** Everett Berry, 2020-07-30 Is it possible for a true believer in Christ to apostatize If so how Also how can professing believers know if they are truly born again What assurance can they have that they will never renounce their faith These questions have been asked for centuries as Christians have wrestled with what Scripture says about these matters The search for answers has instilled strong disagreements among Christian

traditions In this book we navigate the terrain of this debate by examining the pertinent biblical data surveying the history of major views that have been advocated by various denominations and offering a synthesis of all this material in the hopes that readers can see how Scripture assures believers of their security in Christ

*The Gospel of John* Frederick Dale Bruner, 2012-02-22 The author of a much loved two volume Matthew commentary 1990 that he greatly revised and expanded fourteen years later Frederick Dale Bruner now offers The Gospel of John A Commentary more rich fruit of his lifetime of study and teaching Rather than relying primarily on recent scholarship Bruner honors and draws from the church's major John commentators throughout history including Augustine Chrysostom Aquinas Luther Calvin Bultmann Barrett and many more Alongside this historical interpretation is Bruner's own contemporary interpretation which incorporates a lucid translation of the text references to recent scholarship and his pastoral application of the Gospel to present day experience Like Bruner's other work this commentary is rich in biblical insights broadly historical and deeply theological Here is what Eugene Peterson said about Bruner's earlier work on Matthew This is the kind of commentary I most want a theological wrestling with Scripture Frederick Dale Bruner grapples with the text not only as a technical exegete although he does that very well but as a church theologian caring passionately about what these words tell us about God and ourselves His Matthew commentary is in the grand traditions of Augustine Calvin and Luther expansive and leisurely loving the text the people in it and the Christians who read it The same could well be said about the present John commentary which promises to be another invaluable resource for pastors teachers and laypeople alike

**Hell and Its Rivals** Alan E. Bernstein, 2017-06-06 The idea of punishment after death whereby the souls of the wicked are consigned to Hell Gehenna Gehinnom or Jahannam emerged out of beliefs found across the Mediterranean from ancient Egypt to Zoroastrian Persia and became fundamental to the Abrahamic religions Once Hell achieved doctrinal expression in the New Testament the Talmud and the Qur'an thinkers began to question Hell's eternity and to consider possible alternatives hell's rivals Some imagined outright escape others periodic but temporary relief within the torments One option including Purgatory and in the Eastern Orthodox tradition the Middle State was to consider the punishments to be temporary and purifying Despite these moral and theological hesitations the idea of Hell has remained a historical and theological force until the present In Hell and Its Rivals Alan E Bernstein examines an array of sources from within and beyond the three Abrahamic faiths including theology chronicles legal charters edifying tales and narratives of near death experiences to analyze the origins and evolution of belief in Hell Key social institutions

including slavery capital punishment and monarchy also affected the afterlife beliefs of Jews Christians and Muslims Reflection on hell encouraged a stigmatization of the other that in turn emphasized the differences between these religions Yet despite these rivalries each community proclaimed eternal punishment and answered related challenges to it in similar terms For all that divided them they agreed on the need for and fact of Hell *The Hospital* ,1895 Vol 14 41 have separately paged nursing section **The Madras Weekly Notes** ,1951 Encyclopædia Britannica; Or, a Dictionary of Arts, Sciences, and Miscellaneous Literature ... **The Resurrection of Jesus** Dale C. Allison, Jr.,2021-03-11 The earliest traditions around the narrative of Jesus resurrection are considered in this landmark work by Dale C Allison Jr drawing together the fruits of his decades of research into this issue at the very core of Christian identity Allison returns to the ancient sources and earliest traditions charting them alongside the development of faith in the resurrection in the early church and throughout Christian history Beginning with historical critical methodology that examines the empty tomb narratives and early confessions Allison moves on to consider the resurrection in parallel with other traditions and stories including Tibetan accounts of saintly figures being assumed into the light in the chapter Rainbow Body Finally Allison considers what might be said by way of results or conclusions on the topic of resurrection offering perspectives from both apologetic and sceptical viewpoints In his final section of modest results he considers scholarly approaches to the resurrection in light of human experience adding fresh nuance to a debate that has often been characterised in overly simplistic terms of it happened or it didn t
