Washington In this masterful book David McCullough tells the intensely human story of those who marched with General
George Washington in the year of the Declaration of Independence when the whole American cause was riding on their

amounted to little more than words on paper Based on extensive research in both American and British archives 1776 is a
powerful drama written with extraordinary narrative vitality It is the story of Americans in the ranks men of every shape size
and color farmers schoolteachers shoemakers no accounts and mere boys turned soldiers And it is the story of the King s
