1815 Gregor Dallas,2011-09-30 The seventeen months from April 1814 to August 1815 were an extraordinary period in European history a period which saw two sieges of Paris a complete revision of Europe s political frontiers an international Congress set up in Vienna civil war in Italy and international war in Belgium Gregor Dallas tells the story of these days through the perspectives of three very different European cities the great metropolis of London post revolutionary Paris and baroque Vienna The writing is almost cinematic in its power to evoke and bring to life the Europe of Tolstoy the ebb and flow of power of armies and of peoples across Europe s northern plains Working essentially from primary sources Dallas is as interested in the weather conditions before battle as in the way cartoonists reacted to court intrigues and fashions It is also Europe seen through the eyes of its central players Talleyrand who has served nearly every French regime since the Revolution of 1789 Metternich who devises new plans for a Germany that does not yet exist and for a Europe that remains divided Wellington who reveals himself a diplomat as well as a soldier Tsar Alexander an idealist seeking to impose a uniform plan for all Europe and Boney himself who has his own ideal of Europe and though banished to Elba does not abandon his dream to realise it The Dispatches of the Duke of Wellington, Compiled by Lieut. Punch, 2008 From the time of the earliest European colonies there were Irish settlers in the four provinces of Atlantic Canada Newfoundland and Labrador Prince Edward Island New Brunswick and Nova Scotia Despite the flow of Irish through Atlantic Canada the early records of these immigrants are fewer and less informative than those of New England and New York from the same period Erin's Sons Irish Arrivals in Atlantic Canada 1761-1853 goes a long way toward rectifying this problem Author Terrence M. Punch has combed through a wide ranging and disparate group of sources including newspaper articles and advertisements local government documents and census records church records burial records land records military records passenger lists and more to identify as many of these pioneers as possible and disclose where they came from in the Old Country These sources often contain details that cannot be found in Irish records where few census returns survived from before 1901 and where Catholic records began a generation or more after their counterparts in Atlantic Canada
