Statistical Abstract of the United States ,2004-02 Provides tables and graphs of statistics on the social political and economic conditions of the United States Each section has an introductory text Each table and graph has a source note Appendix 1 includes guides to sources of statistics State statistical abstracts and foreign statistical abstracts *Florida Statistical Abstract 2010* ,2011 **Florida Gas Transmission Phase IV Expansion Project** ,2000 *Statistical Abstract of the United States 1998* Amit Goswami,1998 Statistical Abstract of the United States 1999 Hoover's Incorporated,1999 119th edition Provides tables and graphs of statistics on the social political and economic conditions of the United States Each section has an introductory text Each table and graph has a source note Appendix 1 includes guides to sources of statistics State statistical abstracts and foreign statistical abstracts **1997 Florida Statistical Abstract** University of Florida, Bureau of Economic & Business Research,1997-12 *High Speed Rail in the US* Thomas Lynch,2020-08-26 This book is intended to help fill some of the technical and policy information gaps identified earlier as sources constraining further development of high speed rail HSR systems in the US It addresses the key aspects of planning development and implementation of HSR systems *Florida's Megatrends* David Colburn,Lance deHaven-Smith,2010-10-03 In the first edition of Florida Megatrends David Colburn and Lance deHaven Smith revealed the state for what it is a bellwether for the nation The intervening years have only confirmed their analyses as Florida and the U S have been battered and transformed by the housing collapse the great economic recession that began in 2008 record high gas prices withering tourism the 2004 hurricane season and much more This completely revised and updated edition brings the story up to date **Land of Sunshine, State of Dreams** Gary R Mormino,2008-09-01 Florida is a story of astonishing growth a state swelling from 500 000 residents at the outset of the 20th century to some 16 million at the end As recently as mid century on the eve of Pearl Harbor Florida was the smallest state in the South At the dawn of the millennium it is the fourth largest in the country a megastate that was among those introducing new words into the American vernacular space coast climate control growth management retirement community theme park edge cities shopping mall boomburbs beach renourishment Interstate and Internet Land of Sunshine State of Dreams attempts to understand the firestorm of change that erupted into modern Florida by examining the great social cultural and economic forces driving its transformation Gary Mormino ranges far and wide across the landscape and boundaries of a place that is at once America s southernmost state and the northernmost outpost of the Caribbean From the capital Tallahassee a day s walk from the Georgia border to Miami a city distant but tantalizingly close to Cuba and Haiti Mormino traces the themes of Florida s transformation the echoes of old Dixie and a vanishing Florida land booms and tourist empires revolutions in agriculture technology and demographics the seductions of the beach and the dynamics of a graying population and the enduring but changing meanings of a dreamstate Beneath the iconography of popular culture is revealed a complex and complicated social framework that reflects a dizzying passage from New Spain

to Old South New South to Sunbelt **The Economics of Everglades Restoration** Richard Weisskoff, 2005-01-01 The book provides valuable contributions on three related fronts It places past and current debates on ecosystem restoration of the Everglades in a clear systems context that acknowledges feedback between ecosystem quality and economic growth shows for the case of the Everglades that good intentions of providing generous financial support for restoration may lead to undesired effects that actually run counter to the original goal and demonstrates the use of regional modeling tools to develop consistent baseline forecasts and alternative scenarios Matthias Ruth University of Maryland College Park US The restoration of the Florida Everglades the largest ecosystem restoration project in the world is now underway Missing from the original plan however is a study of the region s cities and farms and the economic impact their growth will make on this already endangered ecosystem This book provides that analysis *Sowing Seeds of Change* National Research Council, Division of Behavioral and Social Sciences and Education, Commission on Behavioral and Social Sciences and Education, Panel to Study the Research Program of the Economic Research Service, 1999-07-04 Every day economic decisions are made in the public and private sectors based on limited information and analysis The analysis and information needed for successful public policy has changed rapidly with the growth of the global economy and so have the means for acquiring them In the public sector decision makers rely on information gathered within government agencies as well as the work of academics and private firms *Sowing the Seeds* provides a case study of the need for analysis and information in support of public policy It combines lessons learned from one of the first government agencies devoted primarily to this function with modern economic theory of organizations The panel provides analysis and insight on How and why public economic policy evolves with technological advances The nature of information and analysis in support of economic policy produced in a government agency The characteristics of successful information and analysis programs Evaluating the work of a government agency providing information and analysis Effective administration and organization of research and information programs in a government agency Findings and recommendations in this volume will be of interest to managers and executives of research and consulting organizations in the public and private sectors as well as to economists and policy makers **Drug Abuse Hospitalization Costs Study** , 1999 Statistical Abstract of the United States Claitor's Publishing Division, 2001-03 **The Early Drug Courts** W. C. Terry, III, 1999-03-31 This brief and readable volume focuses on five case studies in judicial innovation the dedicated drug treatment courts in Miami Oakland Ft Lauderdale Portland and Phoenix Each case is presented in a chapter written by a local expert to describe and evaluate five prime examples of dedicated drug treatment courts Editor W Clinton Terry III introduces this volume with a chapter that covers judicial innovation and dedicated drug courts revealing that dedicated courts are unique because of their focus on treatment the nontraditional collaborative approach to treatment and monitoring of by the judiciary As Terry emphasizes the court becomes an integral part of the treatment process itself not just a referral point for offenders The subsequent chapters are written to a

common outline creating a tightly edited and cohesive volume that addresses the following points Community demographics Structural organization of the court Court caseloads including drug cases Description of the initial decision to implement dedicated drug treatment courts Successes and failures of initial goals and objectives and subsequent adaptations Measures of long term successes and failures recidivism and successful completion of treatment programs The concluding chapter written by John Goldkamp a proven researcher of drug courts synthesizes the research from the evaluation of the exemplar courts and examines other areas of possible research that would provide a firmer understanding about these courts all of which speaks to the continued development and refinement of dedicated drug treatment courts With approximately one billion dollars in federal monies earmarked for the creation of drug courts this unique book offers a road map to the effective utilization of those funds *Public Health Reports* ,1999 Florida Consensus Estimating Conference ,1998
