father who was a linen draper by trade was the son of a clergyman of the Church of England but had been converted in youth to Roman Catholicism Not long after the poet's birth his father retired to Binfield in Windsor Forest As a Roman Catholic the young Pope was debarred from entering Public School or University He was educated privately by priests but also read widely for himself especially in the Latin English French and Italian poets His health was severely injured whether by illness or accident is not certain at the age of twelve and Pope grew up stunted in stature and with a spinal curvature which rendered him hunch backed His poetic talents appeared very early and were encouraged by his father While still a child he wrote a play based on Homer's Iliad to be acted by himself and his companions Some of the pieces printed among the Minor Poems at the end of the present selection date from his teens while the Pastorals his first published work date from his sixteenth year By this time Pope had already attracted the attention of several neighbouring gentry with literary tastes Among these were the poet and critic Walsh to whom the Pastorals were to be dedicated and the old dramatist Wycherley Pope's Pastorals which had circulated in manuscript came to the notice of the eminent London publisher and bookseller Jacob Tonson who printed them in his Miscellany for 1709 Pope now began to frequent London literary circles and at first was drawn into that of Addison whose meeting place was Button's Coffee House To this period belong such characteristic early poems as An Essay on Criticism 1711 and The Rape of the Lock Windsor Forest besides paying tribute to the countryside of Pope's boyhood concluded with a passage prophesying a coming age of peace and prosperity as a result of the Peace of Utrecht whereby Queen Anne's Tory ministry had ended the war with France Addison and his friends were Whigs but the sympathies of Pope as a Roman Catholic were inevitably with the Tories It is not therefore surprising that he should move away from Addison's circle He had already quarrelled with one of its members Ambrose Philips over the merits of their respective Pastorals About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

Selected Prose of Alexander Pope Paul Hammond, 1987-05-21 Alexander Pope was the foremost poet of early eighteenth century England but he was also a prolific prose writer This anthology is intended to make Pope's major prose work more widely available It includes the critical prefaces to his own work to Homer and to Shakespeare the mock critical treatises A Key to the Lock and The Art of Sinking in Poetry which deride the poetry and criticism of Pope's opponents and raise important questions about the principles of writing and interpretation maliciously comic pamphlets attacking John Derris Stephen Duck Edmund Curll and Lord Hervey and a selection from Pope's wide ranging correspondence which illustrates his genius for friendship and his opinions on literature politics and religion The

volume complements the critical and moral concerns of Pope's poetry documenting the controversies in which he was continuously engaged. Pope emerges as a gifted critic and a complex mixture of integrity and deviousness, a man concerned both for the culture of his day and for his public image. *"The" Poetical Works of Alexander Pope*, Alexander Pope, 1887

[The Works of Alexander Pope: Correspondence](#) Alexander Pope, 1871 **The Poems of Alexander Pope** Alexander Pope, 2018-06-07 As a young man, Pope shot to fame with *The Rape of the Lock*, a light-hearted mock-heroic poem about a trivial society scandal. Still, his best-remembered work. Wit and irony, dazzling technical mastery, he perfected the English heroic couplet, acute social observation, and insight into human nature were to become the hallmarks of his verse. Pope is one of the most quoted of English poets. For Fools rush in where Angels fear to tread. A little learning is a dangerous thing. To err is human, to forgive divine, all originate from his pen. While his poetry generally has suffered some neglect in recent decades, Professor Claude Rawson's selection persuasively demonstrates why it should be back in fashion. He aspired

to make out of verse satire a serious and dignified form and his culminating work *The Dunciad* achieves a tragic gravity which transcends its satirical mockeries An elevated and ironic reflection on culture it created a new genre which led eventually to the modern masterpiece of T S Eliot s *The Waste Land* Pope was a precocious talent and anxious to advertise the fact inserting such subtitles as *Done by the Author* at 12 years old into his early published poems He adopted many poetic forms and this anthology includes graceful and witty lyrics verse letters to friends in the Horatian mode a number of devotional poems and a variety of important discursive poems on literary and political themes including *An Essay on Criticism* *Windsor Forest* and *An Essay on Man* This edition uses the text of the Oxford Standard Authors edition by Herbert Davis of Pope s *Poetical Works* 1966 Complete poems rather than excerpts have been selected The beautifully typeset text is enhanced by illustrations by William Kent from the first edition of *The Dunciad* *The Works of Alexander Pope* Pope,1871
