Pennsylvania to New Mexico in January of 1975. With no resolute plan, no job skills, and no promise of income, her dismal prospects were more attractive than the abuse she left behind. Annie quickly encountered a dangerous ice storm she would battle for more than one thousand miles. Lofty goals to provide her children with at least one healthy parent, but with no clear cut path, were fraught with overwhelming challenges: many serious, some humorous, and some joyful, in a time when social services were not yet on the scene. But this was a woman the Lord destined for His purposes. Their meeting and walk together make a remarkable story marked with the supernatural workings of a loving, merciful God faithful to His promises. **A Holy Kaleidoscope** is a hopeful story of a mother's mission to provide a better life for her children and herself. On this journey, Annie grows in her faith and learns to rely on Jesus as she navigates the challenges of life as a divorced single mom. Her story shows that when we give our broken pieces to the Lord, He will put them back together into marvelous and radiant gems complete with redemption. *Poems That Propel the Planet* Paul Davis, 2007-06. From the author of *The Rogue's Folly* comes a Regency romance celebrating the witty and romantic world that fans of Georgette Heyer have fallen in love with. Twenty years ago, Beatrice Copland committed a reckless and foolish act of deceit that she's certain ruined the life of a man she'd fallen in love with and led to his wife's death. Now serving as companion to the stern Lady Bournaud, she leads a quiet life and attends to her duties as a kind of penance. But Lady Bournaud, trying to make amends for her own selfish ways, is opening her country estate to a few select guests for the holidays, including the man Beatrice wronged so many years ago. Sir David Chappell spent nearly two decades coming to terms with the haunting memory of his wife's death. When he receives an invitation to Lady Bournaud's for the Christmas season, he's reluctant to go at first, but he's sure the time away in Yorkshire will be a welcome change from London. Once there, he's immediately captivated by the youthful beauty and genuine compassion of the lady's companion, Beatrice Copland, all the while sensing that he's met her before. Even as David pursues her and Beatrice realizes she's still powerfully attracted to the man, she must gently rebuff his advances for fear that her damning secret will come to light and reopen his old wounds. And while Lady Bournaud watches happily scheming to make matches for all her guests, it may take more than a Christmas miracle for David
