Already Near You:

Already Near You Susan Windle, 2002-11-07 Already Near You is a collection of poetry by feminist poets Susan Windle and Ellen Ford Mason. These two women have been performing in the Philadelphia area with singer Annie Geheb since 1991 as Voices of a Different Dream. The poets document their journey together and present their most performed work. Rooted in the natural world, the poetry embodies the struggle to come into full voice in a culture that often veils the truth. The poems convey a vital and passionate connection to the earth and celebrate the deep connections between people. Painter Sara Steele has described their work like a good line drawing: simple, intricate, clear. Singer-songwriter Ysaye Barnwell dubs their CD You Know My Name a lovely experience. And writer Scott Tucker says of the poets: "These voices have unforced strength and clarity. There is both heart and mind in each." And if you ever become sick, how can you regain your good health and maintain it indefinitely? Even more, how can you prolong your life as much as possible, remaining young, looking strong and vibrant continuously? These are essential questions, and you should always consider them, since you should always be able to lose weight and maintain your good health with ease, because your body and mind can remain proper and fit for as long as they are not harmed or unbalanced. And even when they are harmed or unbalanced, your body and mind can still recover on their own to offer you good health, sustained vitality, and a beautiful young appearance. This is exactly what you want, but how can you achieve it? Because you have tried everything, as you still gain weight. Additionally, you feel weak many times, even depressed, while you become sick too. And since it happens to everybody, is it actually your fault? Why is everybody sick, weak, tired, overweight, wrinkled, on stimulants, on medication, and on all drugs? Why can you not remain healthy indefinitely the way you should, and the way your body and mind are supposed to offer? These are important questions, while their answer is rather simple. Since many times a variety of factors harm your body and mind, even continuously, for various reasons, and now your body and mind cannot recover unless you identify, understand, and counteract these main factors first. Therefore, in order for you to have your good health, vitality, happiness, vibrancy, and good appearance, you have to find out what harms your body and mind in the first place, along with everything keeping them unbalanced, and you solve it. Because throughout life and throughout the world, you always have causes generating effects, generating causes generating effects in very large lines of causality, and this is why you have to find these main problems generating the entire line of causality affecting your health, vitality, feelings, and appearance. Otherwise, you end up solving effects and symptoms but not main causes, while your problems persist. These keep manifesting while your mind and body are doomed to remain sick, weak, and dreadful indefinitely. Since this is how people suffer and die for these main causes, for these hidden, ignored, or unidentified problems, as these are

numerous throughout life and society affecting you continuously What main causes exactly The main causes determining you to eat excessively and therefore to gain weight yet there are other main causes affecting you continuously which are just as dreadful Because just by attempting to stop eating as you do during diets you never arrive to lose weight since you never solve the main causes making you hungry in the first place with all consequences piling up and intensifying While there are many main causes interfering right now with your health feelings vitality proper reasoning happiness and bodily appearance and you should know them well Because in general people focus on everything else while attempting to lose weight they focus on their symptoms and effects but not on the main dreadful factors causing these And it never works Throughout this book you learn everything about health nutrition and fitness helping you stay slim healthy vigorous happy vibrant and attractive for life while helping you identify and avoid many problems and illnesses If you seek the perfect program and lifestyle keeping you fit this book is for you *Perfect Love Too Good To Be True?* Dan Robins,2012-04-29 It says in John 3 16 For God so loved the world that He gave His only Son In 1 John 4 8 that God is love And in 1 John 4 18 There is no fear in love but perfect love drives out fear You probably know those verses but do you believe them Do you really believe that God loves you with perfect love Despite what you may have been told God is not angry with you He s not disappointed He is smiling over you Whatever you ve done wherever you ve been whatever you will do God has a single relentless feeling towards you perfect love This book is an ever helpful reminder that God is head over heels in love with you It will pull back the curtains and help you realise how loved you are so that your joy may be made full complete and overflowing It will help you do much more than develop a healthy theology It will help you experience Father God s affectionate embrace feel His unconditional acceptance and hear His tender words of love in deeper ways than you have ever known Finding the End of the World Ron Braley,2011-03-18 Learn tools and techniques you can use in any Biblical study and then explore the History of Israel Use what you learn to analyze Old Testament prophecies and apocalyptic writings all in preparation for comparing accounts of what Jesus told His disciples on the Mount of Olives and for analyzing the Revelation given to John Round out your experience with in depth studies of end times players such as the Antichrist and the 144 000 redeemed from the earth Finally explore in great detail the major rapture positions and challenges presented by each Ron Braley s book Finding the End of the World is a great resource for any serious student of God s Word However it will frustrate those who look to it for easy answers to questions surrounding the books of Daniel and Revelation events of the End Times and eschatological controversies Instead the author gives the reader and student the tools to delve into the Scriptures and discover the answers Caution This may lead the reader to question and even jettison some previously held views of the End of Times While offering historical and theological background materials to consider I believe the greatest value of this book is the study tools guides and exercises it offers each student The result is creating students of the Bible who know how to read and study for themselves Ron Almberg Jr B A Th B M Div Ron Braley lives in Texas with Joanne his wife of 27 years They have 4 grown
