The Complete Directory of Large Print Books & Serials ,1994 **The Cumulative Book Index** ,1995 A world list of books in the English language **Curley's crystal; or, A light heart lives long** Emma Marshall,1890 *Subject Guide to Books in Print* ,1993 **American Book Publishing Record** ,1995 *A Child of God* Karen Higgins,2011-08-29 Mary Simpson is shocked to see a message posted on an Internet adoption site from Joan Fosterthe baby she gave up thirty five years ago While she is thrilled to hear from her daughter the message jolts Mary back in time to the confusing days that began sweetly with innocent navet and sadly ended with harsh reality As a teenager growing up in the late sixties Mary is a gentle girl with eyes the shade of a clear summer sky But when Marys hippie neighbour introduces her to members of a religious cult her life suddenly changes forever Lured into the sect by Christopher the handsome and sly leader of a Gods Children tribe Mary experiences a horrendous year that culminates in the creation of a new life and subsequently an unbearable decision Now many years later her daughter Joan is desperate to find herfor now it is a matter of life and death Both mother and daughter go through a tremendous transformation as their lives intertwine during a time of shared crisis As they frantically search for hope they discover their souls and now understand the true meaning of love **The Sunday Magazine** ,1877 *Popular Gardening and Fruit Growing* ,1890 The Churchman ,1878 *An American Passion* Len Blanchard,2001-09 An historical narrative of epic scope An American Passion is a story of adventure political intrigue war and romance set on the Northern Plains during the last several decades of the Nineteenth Century While faithfully adhering to the sketchy and often contradictory historical record the epic offers a vivid imaginatively realized account of the life of the mysterious Crazy Horse legendary war chief of the Lakota Sioux A man who typically let his actions do his speaking for him and who died young assassinated at the hands of the U S Government in his mid thirties Crazy Horse s story is related by five different narrators An American Passion opens with a prologue spoken by the Missouri River the mighty river of the Great Plains With the historical context established Crazy Horse s life from his birth to his death little more than a year following his great victory over George Armstrong Custer at the Little Big Horn is related retrospectively by his grieving father Worm a notable medicine man of the tribe The net major section of the epic is narrated by the woman for whom Crazy Horse risked his life and the welfare of his people Black Buffalo Woman s tale is a tragedy in the vein of Romeo and Juliet s Unlike the story of Shakespeare s fallen lovers however the love story of Crazy Horse and Black Buffalo Woman has never been related in its full gripping complexity as it is in An American Passion Amazingly after his nearly fatal attempt to take Black Buffalo Woman as his wife Crazy Horse went on to marry and the third major narration of An American Passion is that of Black Shawl his fiercely loyal and devoted widow and the mother of his only known child Telling her story at about the time Sitting Bull was returning to the reservation after having been released from prison by the U S Government a bitter but not a hopeless woman Black Shawl focuses on the early death of her daughter by Crazy Horse and on her final days in captivity

with Crazy Horse The epic concludes with the account of He Dog a loyal friend of Crazy Horse having fought beside him throughout his days as the greatest warrior among the Sioux He Dog lived to be nearly a hundred years old and served as a respected judge in the Indian courts on the reservation Told from the vantage point of 1910 some 33 years after the killing of Crazy Horse He Dog s narration is largely a tribute to his friend a consideration of the differences in character and temperament between himself and Crazy Horse and an elegy to what might have been and perhaps may some day yet be In the depth and breadth of its portrayal of major figures in Crazy Horse s life who are little more than footnotes in the historical record and in the insight it offers into the heart and mind of a great and complicated man a man who lived and died ultimately as an enigma even to the people who revered and revere him An American Passion is a unique emotionally engaging account of the final days of the resistance of the Native Americans of the Northern Plains to that juggernaut of forces which having achieved its objective destroyed a culture though not a people
