Alexander And The Dragon:

Alexander and the Dragon Katharine Holabird, Helen Craig, 1988 *Alexander & the Dragon and Other Adventures* Laura Jane Stanton, 2023-05-09 *Jérôme et le dragon* Katharine Holabird, 1988 Une d mystification du monstre sous le lit l heure du coucher Texte abondant pour les lecteurs concern s *The Alexander Romance: History and Literature* Richard Stoneman, Krzysztof Nawotka, Agnieszka Wojciechowska, 2018-07-31 The Alexander Romance is a difficult text to define and to assess justly From its earliest days it was an open text which was adapted into a variety of cultures with meanings that themselves vary and yet seem to carry a strong undercurrent of homogeneity Alexander is the hero who cannot become a god and who encapsulates the desires and strivings of the host cultures The papers assembled in this volume which were originally presented at a conference at the University of Wrocław Poland in October 2015 all face the challenge of defining the Alexander Romance Some focus on quite specific topics while others address more overarching themes They form a cohesive set of approaches to the delicate positioning of the text between history and literature From its earliest elements in Hellenistic Egypt to its latest reworkings in the Byzantine and Islamic Middle East the Alexander Romance shows itself to be a work that steadily engages with such questions as kingship the limits of human and Greek nature and the purpose of history The Romance began as a history but only by becoming literature could it achieve such a deep penetration of east and west *The Alexander Romance in Persia and the East* Richard Stoneman, Kyle Erickson, Ian Richard Netton, 2012 Alexander the Great of Macedon was no stranger to controversy in his own time Conqueror of the Greek states of Egypt and of the Persian Empire as well as many of the principalities of the Indus Valley he nevertheless became revered as well as vilified Was he simply a destroyer of the ancient civilizations and religions of these regions or was he a hero of the Persian dynasties and of Islam The conflicting views that were taken of him in the Middle East in his own time and the centuries that followed are still reflected in the tensions that exist between east and west today The story of Alexander became the subject of legend in the medieval west but was perhaps even more pervasive in the east The Alexander Romance was translated into Syriac in the sixth century and may have become current in Persia as early as the third century AD From these beginnings it reached into the Persian national epic the Shahnameh into Jewish traditions and into the Quran and subsequent Arab romance The papers in this volume all have the aim of deepening our understanding of this complex development If we can understand better why Alexander is such an important figure in both east and west we shall be a little closer to understanding what unites two often antipathetic worlds This volume collects the papers delivered at the conference of the same title held at the University of Exeter from July 26-29 2010 More than half the papers were by invited speakers and were designed to provide a systematic view of the subject the remainder were selected for their ability to carry research forward in an integrated way *Dragons, Serpents, and Slayers in the Classical and Early Christian Worlds* Daniel Ogden, 2013-04-08 *Dragons Serpents and Slayers in the Classical and Early Christian Worlds* offers a comprehensive and easily accessible collection of dragon

A Dragon's Passion

Sandra Enriquez, 2012-08-21 Inside the land of Miradel lies the Kingdom of Petroset where a little boy tried to hide a horrible secret from everyone. Yet even as Tyson endures an unjust nightmare in the king's court, he is strangely comforted by the warm eyes of the king's daughter Annaliessa. Tyson realizes that he and the beautiful girl share something in common: a father that never loved them. More than a decade later, Miradel is a land steeped in a witch's curse that binds Princess Annaliessa to five princes. Forced to choose one to marry, even though she is not in love with any of them, Annaliessa knows she must produce an heir to the throne soon or be forever bound to her father's violent tendencies. As all five princes compete for her affection, Annaliessa secretly hopes for a miracle that will carry her away forever. When an earthquake strikes Petroset, Annaliessa thinks her wish is coming true as she escapes in the arms of her hero, Tyson, who saves her from certain death. Oblivious to what is happening around her, Annaliessa is about to become trapped in a web of lies and betrayal. Is one man's love enough to save her from the scars revenge leaves behind? In this fantasy tale, temptation, sacrifice, and the power of unconditional love fuel a journey of self-discovery for a young woman who only wants one thing: true happiness.

The mountain lies in the middle of a desert but has special access to other worlds, worlds inhabited by both unusual and evil creatures. Tanis and the other riders, led by the queen of the dragons, The Ariella, must band together to create a fighting force and fly across the River Styx, beyond the Ice Caves, to the Black Fortress. There they must retrieve the first of three crystal keys. These keys have held their enemies at bay since the first of dragon kind but were captured by the Dark Lords of the Provinces. As The Ariella's riders fly over land and sea, they summon surprising courage to protect the dragons and Mt Drago from the vile forces which stand in the way of their peaceful existence.
