prompted a new energetic movement away from more sedentary habits In Russia this ethos soon became a key facet of the Bolsheviks shared vision for the future In the aftermath of the revolution glorification of exercise persevered pointing the way toward a stronger healthier populace and a vibrant Socialist society With interdisciplinary analysis of literature painting and film *Faster Higher Stronger Comrades* traces how physical fitness had an even broader impact on culture and ideology in the Soviet Union than previously realized From prerevolutionary writers and painters glorifying popular circus wrestlers to Soviet photographers capturing unprecedented athleticism as a means of satisfying their aesthetic ideals the nation's artists embraced sports in profound inventive ways Though athletics were used for doctrinaire purposes Tim Harte demonstrates that at their core they remained playful joyous physical activities capable of stirring imaginations and transforming everyday realities **Here And Hereafter** Vineet Gill,2022-09-30

How is a writer formed Yes through labour commitment perseverance grit and various other things that we keep hearing about But equally a writer is formed through the workings of a particular kind of sensibility As Vineet Gill attempts to understand this writerly sensibility in Nirmal Verma's life and work he finds that the personal and the literary are on some level inseparable In this masterly deep dive into the world of one of Hindi literature's pioneers Gill looks at the scattered elements of Verma's life as ingredients that went into the making of the writer The places he lived in the people he knew the books he read are all reflected in Gill's view in Verma's stories and novels This is a work of intense readerly analysis and considered excavation a contemplation on Verma's oeuvre and its place in world literature **Literature, Language and Computing** Polina Eismont,Maria Khokhlova,Mikhail

Koryshev,2025-03-26 This book brings together the selected revised papers representing a multidisciplinary approach to language and literature The collection presents studies performed using the methods of computational linguistics in accordance with the traditions of Russian linguistic and literary studies primarily in line with the Leningrad Petersburg philological school The book comprises the papers allocated into two sections discussing the study of corpora in language translation and literary studies and the use of computing in language teaching and translation and in emotional text processing A unique feature of the presented collection is that the papers compiled in one volume allow readers to get an understanding of a wide range of research conducted in Saint Petersburg State University and other Russian leading scientific institutions Both the classical tradition of Saint Petersburg philology and the results obtained with the help of new computer technologies as a sample of the symbiosis of technologies and traditions which bring research to a qualitatively new level to arouse interest *A Russian Jew of Bloomsbury* Galya Diment,2011

A Russian Jew of Bloomsbury looks at the remarkable influence that an outsider had on the tightly knit circle of Britain's cultural elite Among Koteliansky's friends were Katherine Mansfield Leonard and Virginia Woolf Mark Gertler Lady Ottoline Morrell H G Wells and Dilys Powell But it was his close and turbulent friendship with D H Lawrence that proved to be Koteliansky's lasting legacy In a lively and vibrant narrative Galya Diment shows how despite Kot's determination he could never escape the dark aspects of his past or

overcome the streak of anti-Semitism that ran through British society including the hearts and minds of many of his famous literary friends

Poems you have never met Various authors, 2024-03-28 As I make my way through various on line and brick and mortar book stores I am increasingly convinced that Russian literature is woefully under represented One can always find *War and Peace* or *Crime and Punishment* but to think that is all there is to it In all fairness it would take a separate store chain or a huge server bank to accommodate all the works that would provide a reasonably comprehensive

picture of Russian literature However I can't help feeling disheartened when seeing how much precious shelf space is dedicated to the mediocre romance novels and how little to the works by Alexander Pushkin Mikhail Lermontov Anton Chekhov Ivan Turgenev and Fyodor Tyutchev to say nothing of Nikolai Gogol Sergei Yesenin Anna Akhmatova Marina Tsvetayeva Igor Severyanin Alexander Blok Alexei Tolstoy yes there was more than one famous Tolstoy in Russian literature and many others There is an entire population of poems and stories you have in all likelihood never met **Still Life 120**
