moral ways of supporting the war effort William's only remaining farmhand is spurned in his affections for Iris and joins the army when given a white feather All this turbulence at home is influencing William's youngest Alf who sees the whole war as an exciting adventure Iris falls for a dashing RFC pilot and volunteers to work overseas despite her father's concerns Meanwhile Doris has her eyes opened to the perils of women working in factories and becomes a workers rights activist But while packing grenades to be sent to the front she slips in a Billy Do an anonymous letter to a soldier in France This sparks an unlikely romance with Private Jack Thomas who is also stationed on the Somme As the build up to the Battle of the Somme intensifies the lives of everyone at home and abroad become intertwined this is illustrated by the moving correspondence between South Glos and the Somme Soon everyone from the youngest child to the eldest residents is in turmoil while the largest offensive undertaken by the British Army prepares to take place In a dramatic scene we see the juxtaposition between children playing battles without consequences against the disastrous bloody first day of the Battle of the Somme This poignant window on lives affected by the First World War uses letters and research from real lives explored by the author This serves as a tremendous resource when teaching secondary age students about the tragedy of war both at home and in battle
