Algonquin Massacre:

Algonquin Massacre Dodge Tyler,1996 **The Encyclopaedia Britannica** ,1888 **Fractured Homeland** Bonita Lawrence,2012 In 1992 the Algonquins of Pikwakanagan the only federally recognized Algonquin reserve in Ontario launched a comprehensive land claim The claim drew attention to the reality that two thirds of Algonquins in Canada have never been recognized as Indian and have therefore had to struggle to reassert jurisdiction over their traditional lands Fractured Homeland is Bonita Lawrence s stirring account of the Algonquins twenty year struggle for identity and nationhood despite the imposition of a provincial boundary that divided them across two provinces and the Indian Act which denied federal recognition to two thirds of Algonquins Drawing on interviews with Algonquins across the Ottawa River watershed Lawrence voices the concerns of federally unrecognized Algonquins in Ontario whose ancestors survived land theft and the denial of their rights as Algonquins and whose family histories are reflected in the land The land claim not only forced many of these people to struggle with questions of identity it also heightened divisions as those who launched the claim failed to develop a more inclusive vision of Algonquinness This path breaking exploration of how a comprehensive claims process can fracture the search for nationhood among First Nations also reveals how federally unrecognized Algonquin managed to hold onto a distinct sense of identity despite centuries of disruption by settlers and the state *Iroquois Wars II* Anthony P. modern Ontario Quebec border in the period after colonial incursion but before the full effects of the Indian Act of 1876 were felt While Lake Timiskaming was the site of commercial logging operations beginning in the 1830s the Lake Abitibi region had much less contact with outsiders until the early twentieth century These different timelines permit comparison of social and cultural change among Indigenous peoples of these two regions Drawing on nineteenth century archival sources and twentieth century ethnographic accounts Leila Inksetter sheds new light on band formation and governance the introduction of elected chiefs food provisioning environmental changes and the interaction between Indigenous spirituality and Catholicism Cultural change among the nineteenth century Algonquin was experienced not only as an uninvited imposition from outside but as a dynamic response to new circumstances by Indigenous people themselves Inksetter makes a case for greater recognition of Algonquin agency and decision making in this period before the implementation of the Indian Act
