Alive And Active The Old Testament Beyond :

Prophets Megan McKenna ,2014-07-30 *The Church of the Beyond, vol. 1: The Gospel of the Kingdom* Benjamin Hoogterp,2012-01-11 Then they will deliver you to tribulation and will kill you and you will be hated by all nations because of My name At that time many will fall away and will betray one another and hate one another Many false prophets will arise and will mislead many Because lawlessness is increased most people s love will grow cold But the one who endures to the end he will be saved This gospel of the kingdom shall be preached in the whole world as a testimony to all the nations and then the end will come Matthew 24 9 14 There is coming a day burning hot like an oven that will not relent It will divide and separate the wheat from the chaff and provoke Israel to jealousy In that day one will say to the other let us return unto the Lord for perhaps He may still have pity upon us To all who would hear it is time that judgement begin at the House of the Lord and to declare the Kingdom of God is at hand **Four Views on Moving Beyond the Bible to Theology** Gary T. Meadors,2009 Four Views on Moving Beyond the Bible to Theology evaluates interpretive models of applying biblical texts and provides perspectives on questions of moving from Scripture to theology **Alive and Active** Adrian Graffy,1999 What relevance do the books of the Old Testament have for people today Alive and Active shows how the Old Testament speaks to our problems of today Providing encouragement Challenge and inspiration that these books are In fact Alive and acti **The Church of the Beyond, vol 2: Living in the Way** Benjamin Hoogterp,2012-01-12 Truly I say to you among those born of women there has not arisen anyone greater than John the Baptist Yet the one who is least in the kingdom of heaven is greater than he From the days of John the Baptist until now the kingdom of heaven suffers violence and violent men take it by force For all the prophets and the Law prophesied until John And if you are willing to accept it John himself is Elijah who was to come He who has ears to hear let him hear But to what shall I compare this generation It is like children sitting in the market places who call out to the other children and say We played the flute for you and you did not dance we sang a dirge and you did not mourn For John came neither eating nor drinking and they say He has a demon The Son of Man came eating and drinking and they say Behold a gluttonous man and a drunkard a friend of tax collectors and sinners Yet wisdom is vindicated by her deeds Matthew 11 11 19 Living in the Kingdom life is life according to the words of Jesus the Master He alone is the one with the words of Eternal life and to disregard them is to do so at one s own peril Many are the attempts to rebuild the church of the first century but few connect the words of the Gospels the life of faith and outpouring of His Spirit with the foundation stones the apostles that Jesus raised up The church was founded upon Christ as the cornerstone and these men who knew His words and because of it it stood through even the shaking of the religious structures of that day Today is the day to rebuild to restore and to reform It is the day of revolution In a day when everyone has their own ideas of how to live the Gospel we do well to return to the book and look again at these eternal words from our Lord Why should we call Him that if we don t And if our walk does not end up looking like His how far has the apple fallen from the tree **The Christian**

Way of Living Klaus Bockmuehl,1994 *Elenchus of Biblica* ,1999 *Beyond Chapter and Verse* Ken Casillas,2018-02-28

Do you struggle to connect the dots between the Bible and your life While Christians instinctively want to apply Scripture we encounter difficulties that can discourage us and diminish our engagement with God s Word Indeed biblical application has suffered in various ways in the church everything from neglect to abuse to contempt Responding to such challenges *Beyond Chapter and Verse* provides a biblically based rationale for the practice of application and then proposes a biblically consistent method for application The book is substantive but accessible relevant for believers generally as well as preachers It begins by sketching the broad theological context of Bible application relating it to the gospel generally and to sanctification specifically The heart of the study then synthesizes key Old and New Testament passages relative to the process of application Building on this foundation the book sets forth a sensible approach for arriving at legitimate applications of Scripture A rich assortment of positive and negative case studies illustrates the method motivating believers to apply the Scriptures for themselves

What Did Jesus Do? Becoming Like Jesus in Teenage Years and Beyond Evan Christopherson,2024-04-23 We often hear the rhetorical question What would Jesus do The reality is in many instances we know what Jesus would do We have a written record which we refer to as the Bible that gives us a window into the life of Jesus He faced many of the same things that people face every day Rather than asking What would Jesus do a better question is What did Jesus do Jesus lived a life and faced struggles just like us Think about an area of your life that you struggle in the most The odds are Jesus experienced the same thing If we want to live a life that honors God it s worth exploring what Jesus did when he was faced with difficult circumstances in life That s what this book is all about Learning from the life of Jesus so that we can become like Jesus ourselves In an age where so many teenagers are caught up in a self focused life *What Did Jesus Do* shows them a bigger better and bolder way to live one patterned after Jesus s life on Earth and focused on His cause of making disciples As teens learn to walk in the way of Jesus they ll not only find solutions for their everyday struggles like anxiety and peer pressure but they ll also discover deep joy and enduring purpose as they partner with Jesus in His mission to seek and save the lost *What Did Jesus Do* points the way Greg Stier founder and visionary Dare 2 Share Ministries Sometimes we talk about salvation as cosmic fire insurance getting to go to heaven when we die But when Jesus preached the good news he described it as the kingdom of God coming to earth We get to experience God s will being done on earth as it is in heaven just as we see in Jesus s own life By exploring what Jesus did Evan Christopherson leads us back to the reality that God s transforming work in our lives is central to our experience of salvation as we encounter his grace Ben C Blackwell PhD Director of Houston Theological Seminary Evan Christopherson BA in Christianity Houston Baptist University MDiv in Youth and Family Ministries Liberty University is the student pastor at Clearpoint Church in Pasadena Texas He is married to his lovely wife Haley Christopherson and they have two daughters Zoe and Lainey Evan s passion in life is to see people become rooted and grounded in God s Word and to spread the Gospel everywhere they go You can follow Evan on Instagram

 movements and Black theological praxis and theory Rev Dr Prathia Laura Ann Hall 1940 2002 had not been the subject of a
 book length critical study until Courtney Pace s Freedom Faith The Womanist Vision of Prathia Hall was published by the
 University of Georgia Press in 2019 Now with the publication of Beyond Eden The Collected Sermons and Essays of Prathia
 Hall Pace provides a volume of seminal importance to the fields of womanist theology and ethics Black church history and
 African American history Beyond Eden explores Hall s preaching and research curating a collection of her work to expand
 scholarship on her influence on American religion and Black churches Hall pioneered womanist preaching embodying the
 necessary interconnections among theology social science history and practical ministry She was a master organizer not only
 leading her congregation but facilitating collaborations among national regional and local organizations to serve Black
 churches and Black communities The sermons and essays in this volume showcase Hall s womanist preaching brilliance the
 seamless connection between church and the academy in her work and her understanding of the gospel as Freedom Faith A
 trailblazer in the womanist movement of the 1980s and 1990s Hall merged Christian ethics with Black feminist thought
 during decades of civil rights activism and preaching Although she had very few publications due to the demands of her
 multifaceted vocation health limitations and familial responsibilities her extensive work has been transcribed from
 handwritten notes and audio recordings by editor Courtney Pace **History and Christian Faith** Edward W. H. Vick,2003
 A basic Christian claim is that God is active in human history to accomplish his purpose which he will do in the end This book
 considers some of the implications of this far reaching claim Christian faith is bound up with our personal history but beyond
 that stretches far into the past Faith is not identical with historical knowledge for example with knowledge of the facts about
 Jesus facts which must be established historically That involves using the historian s methods of investigation What does God
 reveals himself in history mean Christians claim to find an ultimate meaning in history But how can that be How is it possible

to find an overall meaning in history theistic or otherwise Since Christians appeal to the New Testament in making the claim that God revealed himself in Jesus we must go beyond that book to the Christian community which existed before there was a New Testament and out of whose midst its writings came To understand those books we must interpret So where do our principles of interpretation come from and how valid are they This is the question of tradition This small book is an introduction to these interesting topics Hopefully it will help to clarify important issues and lead the reader to investigate such central matters further

How to Read the Bible Well Stephen Burnhope, 2021-04-23 *How to Read the Bible Well* takes on the big questions about the Bible that we've always wanted to ask What do people mean when they say it's the Word of God In what way exactly How can an ancient world text be offering supposedly timeless truths Can we really take what the Bible says as authoritative for life today Isn't it obviously sexist and outdated Do we have to believe in Adam and Eve and the world being made in six days Why did God command

genocide in the Old Testament Are people really going to burn in hell for eternity Why is there evil and suffering in the world And how can we explain the Big Story of the Bible from cover to cover in ways that will make sense to people today Stephen Burnhope suggests there are very good answers to all of these questions and more once we know how to read the Bible well
