Alive And Writing Interviews With American Authors Of The 1980s:

Alive and Writing Larry McCaffery, Sinda Gregory, 1987 **The Routledge Encyclopedia of Jewish Writers of the Twentieth Century** Sorrel Kerbel, 2004-11-23 Now available in paperback for the first time Jewish Writers of the Twentieth Century is both a comprehensive reference resource and a springboard for further study This volume examines canonical Jewish writers less well known authors of Yiddish and Hebrew and emerging Israeli writers includes entries on figures as diverse as Marcel Proust Franz Kafka Tristan Tzara Eugene Ionesco Harold Pinter Tom Stoppard Arthur Miller Saul Bellow Nadine Gordimer and Woody Allen contains introductory essays on Jewish American writing Holocaust literature and memoirs Yiddish writing and Anglo Jewish literature provides a chronology of twentieth century Jewish writers Compiled by expert contributors this book contains over 330 entries on individual authors each consisting of a biography a list of selected publications a scholarly essay on their work and suggestions for further reading **The Columbia Literary History of the United States** Emory Elliott, 1988-02-15 For the first time in four decades there exists an authoritative and up to date survey of the literature of the United States from prehistoric cave narratives to the radical movements of the sixties and the experimentation of the eighties This comprehensive volume one of the century's most important books in American studies extensively treats Hawthorne Melville Dickinson Hemingway and other long cherished writers while also giving considerable attention to recently discovered writers such as Kate Chopin and to literary movements and forms of writing not studied amply in the past Informed by the most current critical and theoretical ideas it sets forth a generation's interpretation of the rise of American civilization and culture The Columbia Literary History of the United States contains essays by today's foremost scholars and critics overseen by a board of distinguished editors headed by Emory Elliott of Princeton University These contributors reexamine in contemporary terms traditional subjects such as the importance of Puritanism Romanticism and frontier humor in American life and writing but they also fully explore themes and materials that have only begun to receive deserved attention in the last two decades Among these are the role of women as writers readers and literary subjects and the impact of writers from minority groups both inside and outside the literary establishment **Silent Interviews** Samuel R. Delany, 2018-08-14 Collected interviews featuring the Nebula Award winning author and his thoughts on topics like literary criticism comic books race and sexuality For nearly three decades Samuel R Delany's science fiction has transported millions of readers to the fringes of time technology and outer space Now Delany surveys the realms of his own experience as a writer critic theorist and gay Black man in this collection of written interviews a type of guided essay Because the written interview avoids the mutual presence positioned at the semantic core of traditional interview Delany explains a kind of cut remains between the participants a fissure in which the truths there may be more malleable less rigid Within that fissure Delany pursues the breadth and depth of his ideas on language and theory the politics of literary composition the experience of marginality and the philosophical commercial and personal contexts of writing today Gathered

from sources as diverse as *Diacritics* and *The Comics Journal* these interviews reveal the broad range of Delany's thought and interests Delany has a unique place in late twentieth century letters A lifelong inhabitant of the margins both social and literary he has used his marginalized status as a lens to focus his astute observations of American literature and society From these interviews his voice emerges provocative precise and engaging Kathleen Spencer University of Nebraska Samuel R Delany never shies away from contestable positions or provocative opinions In his fiction Delany can write like quicksilver and in lectures or panel discussions he is easily SF's most articulate spokesperson in academia There is much here that is not covered in Delany's critical or autobiographical writings and much that anyone seriously interested in SF or many of Delany's other favorite topics ought to consider *Locus* Delany is fascinating whether discussing SF comics or his experiences as a Black American and this collection is as entertaining as it is informative *Science Fiction Chronicle* Yevgeny Zamyatin Stanislaw Lem Forget it Delany is both with a lot of Borges and Bruno Schultz thrown in *Village Voice*

American Fiction Since 1940 Tony Hilfer, 2014-09-25 In this remarkable book Tony Hilfer provides a major survey of the wealth of post war American fiction He analyses the major modes and genres of writing from realist to postmodernist metafiction and black humour the fiction of social protest women's writing and the traditions of African American Southern and Jewish American fiction Key writers discussed include William Faulkner Norman Mailer Ralph Ellison Saul Bellow Joseph Heller Vladimir Nabokov and Joyce Carol Oates The book concludes by exploring contemporary trends through detailed case studies of Donald Barthelme and Toni Morrison

Some Other Frequency Larry McCaffery, 1996 McCaffery converses with the young recklessly daring and furiously productive William Vollmann and with Marianne Hauser who published her first novel nearly sixty years ago with Native American trickster novelist Gerald Vizenor and guerrilla writer Harold Jaffe whose literary technique is to plant a bomb sneak away with stark minimalist Lydia Davis and text and collage artist Derek Pell with muscular pop icon Mark Leyner and proto punk diva Kathy Acker They are a diverse lot shaped by very different literary and personal influences and addressing divergent readerships

American Catholic Arts and Fictions Paul Giles, 1992-06-26 Examines how secular transformations of religious ideas have helped to shape the style and substance of works by American writers filmmakers and artists from Catholic backgrounds

Keeping Literary Company Jerome Klinkowitz, 1999-06-10 Starting in the 1960s a group of radically new fiction writers began having success at reinventing the novel and short story for postmodern times Chief among them were Kurt Vonnegut Jerzy Kosinski Donald Barthelme Ronald Sukenick Raymond Federman Clarence Major and Gilbert Sorrentino Although their work proved puzzling to reviewers and did not fit the conventions familiar to academic critics these writers found an ally in a young reader named Jerome Klinkowitz Hired to teach Hawthorne and other nineteenth century figures Klinkowitz found his deepest sympathies and most lifelike affinities to be with Vonnegut and company instead Beginning in 1969 he published the first scholarly essays on Vonnegut Kosinski Barthelme and the others in turn By 1975 he was ready to write *Literary Disruptions* a literary history of what he called this

post contemporary period Since then he has written more than thirty books on contemporary fiction and its allied developments in cultural history art music politics and philosophy Keeping Literary Company details Klinkowitz s work with these writers not just researching their fiction and other publications but introducing them to one another and taking part in the business world activities that spread news of their innovations He shows how what they wrote was so much a part of those turbulent times that a new literary generation found itself defined in such works as Slaughterhouse Five Being There and Snow White Here is a fascinating first person account of what these important figures wrote how they wrote it and what it means in the development of American fiction

Understanding Curriculum as Racial Text Louis A. Castenell Jr., William F. Russell Hoban Graeme Wend-Walker, 2025-09-26 Spanning more than half a century Russell Hoban s celebrated literary career won him critical accolades and legions of admirers across multiple genres Many know him from the groundbreaking masterpiece Riddley Walker with its twelve year old protagonist contemplating what the ideal of us myt be from amidst the ruins of civilization Others know Hoban from the genre defying The Mouse and His Child or from idiosyncratic novels of floundering Londoners Still others fondly recall Frances the Badger s refusal to go to bed or share Emmet Otter with their children at Christmas This book the first consideration of Russell Hoban s literary career as a whole explores what binds these seemingly disparate works together Discovering unexpected patterns between books written from what one character describes as a perpetual state of surprise this critical study also draws on Hoban s biography from his formation as an artist under the influence of jazz in New York to the upheaval of his self reinvention as a writer as it offers its own reflection on what the idea of Russell Hoban might be

Tom Robbins Catherine E. Hoyser, Lorena Laura Stookey, 1997-10-28 This is the first book length study of the popular novelist Tom Robbins Whimsy and humor

characterize Robbins work but style and language are the keystones Hoyser and Stookey show how Robbins deftly uses style and humor to depict the absurdities and injustices of our world His novels constantly challenge perceptions of the world that people automatically label as normal His fiction criticizes the complacency of humans in a world becoming increasingly alienated from nature and the joy of life In addition to a critical analysis of each of his novels the study contains biographical material never before published and the first full length bibliography on Robbins including a bibliography of reviews of his fiction This is the first book length study of the popular novelist Tom Robbins Whimsy and humor characterize Robbins work but style and language are the keystones Hoyser and Stookey show how Robbins deftly uses style and humor to depict the absurdities and injustices of our world His novels constantly challenge perceptions of the world that people automatically label as normal His fiction criticizes the complacency of humans in a world becoming increasingly alienated from nature and the joy of life In addition to a critical analysis of each of his novels the study contains biographical material never before published and the first full length bibliography on Robbins including a bibliography of reviews of his fiction The study features a biographical chapter a chapter on context and style and individual chapters on each of his novels I Another Roadside Attraction R I Even Cowgirls Get the Blues Still Life with Woodpecker Jitterbug Perfume skinny legs and all R and I Half Asleep in Frog Pajamas R Each novel is analyzed for plot structure characterization and thematic elements In addition Hoyser and Stookey define and apply an alternative critical perspective from which to read each novel The reading of each of Robbins novels will be enriched by this perceptive study

American Sublime Rob Wilson, 1991 Tracing ideas of the sublime in American literature from Puritan writings to the postmodern epoch Rob Wilson demonstrates that the North American landscape has been the ground for political as well as aesthetic transport He takes a distinctly historical approach and explores the ways in which experiences of the American landscape instill desire for other kinds of vastness self expansion national expansion and American political power As Wallace Stevens put it the American will takes dominion everywhere Wilson sets the stage for his genealogy with a discussion of the classical notion of the sublime taken primarily from Longinus and the ways that notion was pragmatically transformed by its American setting and appropriated by American poets He follows this transformation in successive chapters on the Puritans Bradstreet through the Naturalists Livingston and Bryant from the epitome of the American sublime Whitman to the greatest of the modernists Stevens and its present day incarnations Ashbery and others Writing today under the sign of Hiroshima contemporary writers must struggle with the concept of the sublime within a context of spiralling technologies and nuclear force that calls into question the long standing American sacralization of power Throughout American Sublime Wilson engages in an original theoretical inquiry into the sublime as term topic complex and controversial idea in literary and critical history Furthermore he undertakes his historical study from an avowedly postmodern perspective one that draws on and extends the work of Jameson Lyotard Foucault Lentricchia Harold Bloom and others
