History of the Pentecostal Assemblies of Newfoundland Burton K. Janes,Pentecostal Assemblies of Newfoundland,1996 **The Lutheran Standard** ,1977 **The Cumulative Book Index** ,1977 A world list of books in the English language Living Devotions Mary Clark Moschella,2008-01-01 Living Devotions explores how a particular community has creatively negotiated its religious bonds of connection in the context of immigration These matters cannot be studied in the abstract Religious practice is not something separate from the economic cultural and psychological dimensions of life but rather something integral which shapes and is being shaped by all of these other realities The author examines these dynamics through an ethnographic case study of the living devotions of a group of Italian Catholic immigrants to San Pedro California The narrative describes how the group s historical experiences of immigration and fishing find expression in their particular forms of prayer art artifacts and food The healing and transformative power of these shared religious practices is explored As contemporary theologians pastors and congregations seek to welcome and care for immigrants and other strangers in a shifting social landscape we need ways to engage in care full and attentive relationships The ethnographic method employed here suggests a way to lift up the voices of ordinary people allowing them to tell their own stories while piecing together emerging bits of theological wisdom and compelling care practices While the particular insights of any community are situated and specific theological reflection in one context can animate a broader discussion of transformative pastoral theology and practice **The Publishers' Trade List Annual** ,1978 Subject Catalog Library of Congress, *Subject Catalog* ,1977 Library of Congress,1977 **Library of Congress Catalogs** Library of Congress,1979
