The sun is low on the horizon, creating a bright, hazy glow. The text "HELLO MY NAME IS ALONE" is overlaid in large, bold, yellow capital letters. A thin yellow horizontal line is positioned below the word "ALONE".

Two Powers in Heaven Segal, 2024-04-02 The history of Jews from the period

of the Second Temple to the rise of Islam **By Grace Alone** Jay Harold Ellens, 2013-11-13 These sermons make a strong exegetical and homiletical case each based upon specific biblical texts for the central biblical claim for God's radical unconditional and universal grace to humankind. They address a variety of themes and texts for Ordinary Time with the intent of surprising the reader, preacher or hearer with a fresh and attention getting perspective on the gospel message. This volume is filled with sermons that deal in every case with profound biblical and theological issues exegetically grounded in direct interpretation of Scripture texts and woven together in such a way as to consistently bring to the surface the mainstream of the radical grace theology that is the Word of God throughout both the Hebrew Bible OT and the Christian Scriptures NT. That grace theology mainstream runs from Genesis 3:15 to the last chapter of The Revelation of St John. Alone, but Never Alone Linda M., 2011-11-21 At the age of 33 Linda M found herself recently divorced from her husband of eight years and terribly, terribly alone. She realized that if she were to die no one would know the wonderful ways in which God had revealed himself to her in her life. The loss of Antinous changed the emperor and the once sensible man was now dark, dangerous and consumed by guilt and obsession. Guilt for the death of the youth and obsession with making that youth a god. The eight years that followed Antinous's death saw Hadrian feed that obsession with temples and sculptures of his Beloved as well as patronage of the cult that grew out of the story of the tragic youth. Despite the many beauties in his empire eager to satisfy his needs those distractions paled in the morning light leaving a deeper sense of desolation in Hadrian's life. Wandering the roads of that empire his thoughts always found their way to the memory of the blue black curls, the sensuous mouth, the body more godlike than mortal. Even when surrounded by the power of his legions and the adoration of his minions his life remained a journey alone.
