With God on Our Side Steven Félix-Jäger, 2017-01-11 Rock and roll is more than just music Rock is a culture and an ideology which carries its own ethos It is forcefully countercultural and exists as a bane in the sight of dominant Western culture As rock engages and critiques culture it invariably encounters issues of meaning that are existential and theological A transformational theology of rock begins with those existential and theological issues raised by and within rock music With God On Our Side attempts to respond to these queries in a way that is faithful to the work of the kingdom of God on earth by mining our long theological tradition and seeing what cohesive responses can be made to the issues raised by rock music At its best rock

acknowledges there is something wrong with the world raises awareness of marginalized voices and offers an alternative mode of existence within our present reality By teasing out the theological issues found in rock music this book synthesizes the findings to create a distinctive cultural theology that is sensitive to the plight of the marginalized in the West In this way the book offers a way forward towards a transformational theology of rock and roll *It's All in the Pay-streak* Thomas Stewart Denison,1895
