Always Precious In Our Memory Reflections After Miscarriage Stillbirth Or Neonatal Death:

Always Precious in Our Memory Kristen J. Ingram, 1997 Heartfelt meditations address the powerful emotions felt by parents who have endured the death of a baby *Funeral and Memorial Service Readings, Poems and Tributes* Rachel R. Baum, 2007-11-28 Words can fail even the most articulate when called upon to speak at a loved one's funeral or memorial occasion The bereaved desires to say something meaningful yet services are often held so quickly that there is little time to find something appropriate at the library or bookstore This book is a collection of poetry and prose appropriate for reading at a funeral or memorial service To assist the reader in finding a suitable passage the book is divided into eleven chapters There are tributes for mothers fathers children spouses and soulmates friends siblings and other close relatives soldiers and victims of war or violence pets and general readings appropriate for men women or any loved one These selections will also prove helpful for clergy counselors and hospice hospital and funeral professionals Appendices list resources and support organizations and each selection is indexed by author title and first line A special additional index references pieces by famous uses such as in a film novel or celebrity's funeral so readers can locate a passage they remember from its context

Journeys Through Grief Tammie Thomson, 1998-01-07 As a bereaved parent you're often alone it's to make people understand just what you're going through and what you need from them And as a support person it's hard to know what to say what to do what to expect and how to help our bereaved friends With stories from over 60 parents grandparents and siblings who have been through the death of a child and honest comments on the support they received and needed this book is just what bereaved families and caring professionals need **Hit the Ground Crawling: Lessons from 150,000 New**

Fathers Greg Bishop, 2006 Covers issues that more than 150,000 attendees of the nation's largest fatherhood program Boot Camp for New Dads have found important including tips for work life balance finances getting hands on with your baby what's going on with the new mom in your life what men bring to raising children what raising children does for men and more

Lift Up Your Hearts Mauryeen O'Brien, 2000 A caring and compassionate collection of reflections and prayers for people grieving the death of a loved one Twenty-eight meditations blend spirituality scripture and sound guidance **The Catholic Periodical and Literature Index**, 1998 *When Pregnancy Fails* Susan Borg, Judith Lasker, 1989 When first published in 1981 this book was widely hailed as a pathbreaking guide for parents who had experienced miscarriage stillbirth or infant death The new edition includes a new chapter on ectopic pregnancy and a report on how failed pregnancy affects parents An Empty Cradle, a Full Heart Christine O'Keeffe Lafser, 2009-05-15 Bereavement after the loss of a baby is often quiet and lonely writes Christine O'Keeffe Lafser who has twice lost a child to death There is no wake or funeral no grave site no memorial to our baby's life or death Since there are no real memories of our little one's life people have a hard time comprehending the depth of our love and grief In these reflections Lafser offers grieving parents the empathy and courage that can come only from one who has walked the same difficult path Chris expressed so many of my thoughts and

feelings and made me feel so normal The greatest gift is learning that God does not desert us in our time of need Linda Davis Compassionate Friends after miscarriage and stillbirth The juxtaposition of a Scripture text with each reflection is inspired Some of the texts are breathtaking in their beauty and appropriateness This book is a must for anyone who is ever touched by the loss of an infant Joseph Awad poet and grieving grandfather This book will be very helpful for parents who are mourning the loss of their child It will also prove very beneficial to anyone who is ministering to a bereaved parent Robert N Craig O F M Cap hospital chaplain These reflections allowed me to be how I was feeling not feel like I should be going through the stages of grief that other books described With this book I was no longer a square peg trying to fit into a round hole Jeanette Siebels after infant death
