of blue and white collar workers and the rise of fascism overseas By Any Other Name Cheryl Okimoto,2013-09 In the rich and colorful history of Owensville Missouri one of the most interesting events is how the tiny settlement at the junction of Iron Road and Springfield Road got its name It s a well known fact that Frank Owen and Edward Luster had a horseshoe match for the naming rights Only a few other details have been preserved and while they are interesting they aren t necessarily entertaining Take the basic facts tweak a few others and imagine the possibilities **Packaging Girlhood** Sharon Lamb,Lyn Mikel Brown,2025-06-25 The stereotype laden message delivered through clothes music books and TV is essentially a continuous plea for girls to put their energies into beauty products shopping fashion and boys This constant marketing cheapening of relationships absence of good women role models and stereotyping and sexualization of girls is something that parents need to first understand before they can take action Lamb and Brown teach parents how to understand these influences give them guidance on how to talk to their daughters about these negative images and provide the tools to help girls make positive choices about the way they are in the world In the tradition of books like *Reviving Ophelia* *Odd Girl Out* *Queen Bees and Wannabees* that examine the world of girls this book promises to not only spark debate but help parents to help their daughters *Infinite Relations* Nadine Burr,2010-08-02 To be able to find beauty in a world full of greed jealousy and envy is a gift To be able to go on when life throws its toughest curves is a blessing And to be able to share love again and sustain a relationship with a man or a woman after so many failed relationships is truly a miracle Karen and David are both in their forties They both lived every day working hard caring for their family and spending time with friends They thought they would never again find the life that they actually gave up on the life that included the love of a mate the love that gives your life meaning the love that makes you blush giggle and just shout out to the world Karen and David found that love again This was a relationship that was different from all the rest but the baggage that came with that love will almost destroy what was truly meant to be Two years into the relation their perfect world starts to fall apart Their first terrible fight was at a nightclub on their anniversary that landed Karen in the hospital where she was about to have an unauthorized open heart surgery Jealousy is the main factor which is one emotion Karen could never control David also has a jealous streak His relationship with Jamie his best friend since childhood was threatened when David s skeletons from the past came out of the closet and almost caused David to commit murder all because of a secret Karen and Jamie keep They both knew it was the one thing that will push David over the edge Karen and David learned that soul mates cannot be parted their karma won t allow it The Cry Room and Other Places John Boaz (M.D.),John Boaz,2005 It required fourteen years to complete the following forty some sketches outlining my family background and personal history from birth until I left home at eighteen in order to try my hand as a university student Excepting Ralph Ellison s final work that may be record slowness in pages per day I m not sure Only recently have I experienced a sense of urgency for surely tomb time cannot be far away I enjoyed writing them fancying each one a regional canvas a la Benton Curry Sample Hogue Marsh et al paintings depicting
