Always Forever Mark Chadbourn, 2011-05-26 The ancient gods of Celtic mythology have returned and all that stands between them and complete domination are five flawed mortals The Eternal Conflict between the Light and Dark once again blackens the skies and blights the land On one side stand the Tuatha de Danaan golden skinned and beautiful filled with all the might of angels On the other are the Fomorii monstrous devils hell bent on destroying all human existence And in the middle are the Brothers and Sisters of Dragons determined to use the strange power that binds them to the land in a last desperate attempt to save the human race Church Ruth Ryan Laura and Shavi have joined forces with Tom a hero from the mists of time to wage a guerrilla war against the iron rule of the gods ALWAYS FOREVER is the stunning conclusion of a powerful fantasy saga by one of Britain's most acclaimed young writers

Open Your Mind Jamar Johnson, 2012-08 This is Poetry at its best Same blood same flesh and same chemical composition We breathe we eat we think and we feel Our only difference is PRECEPTION The way in which we view people places and things based on what we know and how we feel and or have felt The glass can be half full and or half empty Growth and development comes in stages as children we see in black in white as young adults we see in black white and grey and as Men to make the best of everything to always breathe easy and what I feel is most important was the ability to lose small My book is a lot of deep thoughts self reflection over years of studies I don't believe that emotions should have the right to override intellect The mind controls the body so I think and I dare you to think also The choices we make are based on what we want and or feel we need to Your choices are yours and they may or may not affect my life but consequences come with all choices choose wisely Just know that you chose conscious or not Email me at Openyourmind0012 gmail com Open Your Mind See As Eye See is also on facebook Feel free to let me know what you think
