## **Beasts Of The Harvest Moon:**

**Beasts of the Harvest Moon** John T. Taylor, 2003-11-01 This is a story of one man's journey into the realm of dreams. Like many, he longed for a way out from a mundane existence of a labor-intensive job and feeling that life owed him something. Through his dreams, he is led to questions and answers in the waking world. When he finds the reason for his lot in life, he learns that he and the entire world have been used as pawns by forces known and unknown. But with Earth as his dream guide, he finds himself and his place in the war for FREEDOM.

**Magician, Man and Beast** Daniel Williamson, 2011-04-09 Charon, avid explorer, treasure seeker, and part-time mercenary, embarks on a doomed quest which leads him into uncharted lands. Driven there by an insatiable hunger for glory, he awakens an ancient evil. Charon, who possesses all the requisite flaws, is a living gateway, a portal to the Otherworld, allowing one of the immortal Sage Kings to escape through his empty existence. Through him, a magical fiend is born, a terrible shape-shifter who can shed its skin like an insect each time it claims a host. It is a scavenger of souls, spreading death like a parasite as it lives and feeds on the corpse-rind of the world. The entire world is doomed. All hope is lost, or so it seems. For in the shadow of death, the seed of a new soul shall fall. And a hero will rise with the power to unlock the secrets of the universe. All illusions will be shattered. The greatest mysteries of the cosmos revealed.

He also happens to be fighting a curse from one pissed-off witch and he's running short on time to find a mate or else. When his assistant suggests a reality television show, he reluctantly agrees.
