We Are Not Born Submissive Manon Garcia,2023-01-24 We Are Not Born Submissive is the first in depth philosophical exploration of female submission Focusing on Simone de Beauvoir and more recent feminist thinkers Manon Garcia argues that to understand female submission we must invert how we examine power and see it from the woman s point of view Historically philosophers psychoanalysts and even some radical feminists have conflated femininity and submission But we can grasp the ways gender hierarchies shape women s experiences only by taking account of women s lived experiences their economic social and political situations and how women adapt their preferences to maintain their well being Ultimately

Garcia says women don't actively choose submission Rather they consent to and sometimes take pleasure in what is prescribed to them through social norms within a patriarchy
