Beauty And The Beasts:

The Beauty and the Beasts Geoff Hobbs, 2011-08-18 This book recalls the memories of a young English businessman who was not in the least interested in working in Africa however the Corporation believed that his experience of working in a rough tough and hard to bluff industry made him the perfect candidate for the position in Nairobi Kenya and they offered him a package that he could only imagine in his wildest dreams and the opportunity to move from a cold and wet English climate With no more than a good gut feeling he accepted the position little knowing that the decision he had just made would change his life forever This fast paced easy to read book takes the reader through the complete lifecycle of an expatriate living and working in Nairobi from the excitement of getting to know a new country to falling totally in love with it and finally to the point where daily life threatening situations bought him to realise that if he did not leave on an aeroplane seat he would soon leave in a wooden box
