The Beaux Stratagem George Farquhar,1791 *The Beaux Stratagem: a Comedy, Etc. [By George Farquhar.]*
BEAUX.,1763 **The Beaux' Stratagem** George Farquhar,2014-06-26 It attests to Farquhar's stature as a man that he composed this warm hearted and vibrant play while he was dying Like The Recruiting Officer the play is set in a provincial town and its plot is slight Aimwell and Archer two impecunious London gentlemen arrive in Lichfield looking for an heiress to marry Aimwell posing as his elder brother falls in love with his prey Dorinda and confesses his imposture to her his man servant Archer arouses the wistful interest of the unhappily married Mrs Sullen The introduction to this edition discusses the play for its theatrical merits and argues that it dramatises the ills of marriage in early modern England shown by Farquhar to be more injurious to the wife than to the husband and calls for a reform of the divorce laws "The" Beaux Stratagem
George Farquhar,1776 *The Beaux-Stratagem* George Farquhar,2022-09-04 In George Farquhar's comic masterpiece The Beaux Stratagem the audience is drawn into a vibrant tapestry of Restoration England where trickery love and the quest for social mobility intertwine The play is characterized by its witty dialogue and richly developed characters employing a blend of farce and romance that critiques societal norms of the early 18th century Farquhar employs a lively narrative style utilizing intricate plotting and a keen sense of humor to explore themes of deception and the fluidity of social class all while retaining a heartwarming optimism about human connection and integrity George Farquhar born in 1678 into a tumultuous period of political and social upheaval experienced both the vitality of the theatre and the stark realities of life notably suffering from poverty and illness His personal struggles as a playwright and soldier greatly informed his work The Beaux Stratagem reflects his profound insights into human nature and social interactions ever influenced by the turbulent transitions of his time making him a distinctive voice in the landscape of Restoration drama This play remains a captivating exploration of the human condition combining humor with a critique of societal mores Ideal for lovers of classic theatre and those interested in the complexities of 18th century social dynamics The Beaux Stratagem is a must read offering both entertainment and a thought provoking reflection on the nature of love and ambition *The beaux strategem* George Bernard Farquhar,2013-10-09 Even more successful than his popular Recruiting officer the favourite and hilarious work of an Ulster playwright nearly forgotten today but still a great read and drama *The Beaux Stratagem.
