Because Of Sean The True Story Of A Mothers Courage:

Because of Sean Susan Henley, 2005-03 Because of Sean the true story of a mother s courage both before and after the death of her young son profiles lessons learned and hope gained all in the name of God eternal memories and unconditional love Author Susan Henley never suspected the worst when her son Sean suddenly developed a fever at a soccer practice When the fever persisted after several days she and Sean visited the doctor Suddenly Henley s world was turned upside down when she heard the awful word leukemia In a mother s poignant and loving conversational style Henley describes the long first night in the hospital how she learned to cope with terminal illness when she learned that ignorance may be bliss and how she dealt with relapse and Sean s last week of life Because of Sean is a sometimes funny more often sad tale of a family s struggle and spiritual journey through a difficult crisis Sean s story will make you laugh and cry but it will also offer hope and healing through its most important message you can survive and re create beautiful memories of your child

Sara, Beyond the Veil Rev Susan J. Henley, 2012-10 For Sara the loss of her husband Peter was unbearable Soon after he passed Peter came to visit taking her to various places that only they could go Her children refusing to believe that she was talking to him assumed that she had dementia She suffered a fall and from that time on never returned to her home But while recovering Sara was able to travel beyond The Veil learning beautiful heartfelt lessons that she was able to bring back with her and pass on to her children Peter takes Sara on a journey both here and to the hereafter Her life and those of her children is never the same She finds an abundance of peace and serenity in a place that is timeless where unconditional love creates healing and comfort and where the ravages of dementia cannot touch her Walking among the angels Sara s desire is for everyone to know the place beyond The Veil **The Many Faces of ULC** ,2008 *Email Connectors and Mr. Hogue's*

Wisdom Dale Hogue, 2008-04 **I Let Him Go** Denise Fergus, 2018-02-01 On 12th February 1993 Denise Fergus s life changed forever As she was running errands at New Strand Shopping Centre she let go of her two year old son s hand for a few seconds to take out her purse Denise never saw her son again For the first time since that moment 25 years ago Denise tells her extraordinary story in this heart wrenching book an unflinching account of that terrible day What if she had never taken James shopping What if she had turned right coming out of the butcher s instead of left Denise s initial hope after seeing her son on CCTV with other children quickly turned to devastation when two days later James body was found His death reverberated around the world and his killers became the youngest ever convicted murderers in UK legal history Four minutes is all it took for them to lead James away from his mother to his death Denise took up a tortuous legal battle for James and it was her astonishing strength and love for her son that ultimately helped to change the way the law treats victims of crime This is a mother s tale of finding a way through the despair to remember the happiness and wonderful memories that James brought his family Above all Denise doesn t want her son to be remembered as a murdered child and with this beautifully written book she does just that Part of the proceeds of the book will be donated to the James Bulger
