Asiaweek , 1981-05 **Lying Beneath the Virgin** C. W. Wilson, 2011-07-13 WARNING CONTENT MAY BE DAMAGING TO RELIGIOUS BELIEFS In 1995

C W Wilson's life was changed forever when he discovered satanic iconography veiled in the Catholic Church's venerated Our Lady of Guadalupe. He shares this insight in a new novel inspired by actual events. The leaders of the most powerful religion in the world are not who they claim to be. And they have a secret. In the shadowed underworld of the illegal narcotics trade in Kentucky, a seemingly normal young man of questionable morals and principals unwittingly discovers a blasphemous subliminal image in one of the world's most beloved icons, and his search for answers uncovers a deception so malevolent it could destroy the very foundation of Christianity. In a world void of physical and mental limitations, Kentucky struggles to come to grips with Christianity's darkest and most closely guarded secret. Will the promise of an eternal life in heaven still hold sway once the world discovers death is merely an option.

Undeniable Role Of A Father Tammi Uimari, 2021-04-03 Fathers not only influence who we are inside but how we have relationships with people as we grow The way a father treats his child will influence what he or she looks for in other people Friends lovers and spouses will all be chosen based on how the child perceived the meaning of the relationship with his or her father The patterns a father sets in the relationships with his children will dictate how his children relate with other people This theme awakens special interest because of the modification of the modern family structure in which an increasing absence of fathers is observed The main developmental theories are based on the conventional family model and it is possible that the new family configurations have repercussions for interpersonal and intrapsychic relations making this theme relevant The book looks at the effects on children with no father residing with them and on children who did not know who their fathers were It also encourages men to be father figures to the children of friends or family members who may not have a strong male role model in their lives Mentoring your children is one of the best things you can do

The Lack of the Spiritual Father Pastor Edgar Baez JD., 2019-08-30 As a criminal defense attorney and as a pastor the author has noticed that for the most part not every man that he represents or counsels has had a father figure in his life let alone a spiritual one nor every man has had a good father involved in his life however every man deserves to be all that our Creator intended us to be a man after God s own heart Just like King David This book was born out of fact that the Body of Christ is the salt of the Earth As such we must recognize that although not every man has had a spiritual father every man is commanded to be the spiritual leader of his household This requires a process by which these men who were not afforded the opportunity of a spiritual father and that would otherwise not know this would be able to learn and subsequently help other men achieve the same spiritual maturity required in our Christian walk
