The Philosophy of Domestic Life William Heath Byford, 1869 Women in the Hebrew Bible Alice Bach, 2013-10-31

Women in the Hebrew Bible presents the first one volume overview covering the interpretation of women's place in man's world within the Hebrew Bible or Old Testament. Written by the major scholars in the field of biblical studies and literary theory, these essays examine attitudes toward women and their status in ancient Near Eastern societies focusing on the Israelite society portrayed by the Hebrew Bible.

Girl Talk 101: A Simple But Yet Complete Guide to Getting Your "Stuff" Together! Erin Johnell Dickey, 2010-04-28 In her first personal growth book *Girl Talk 101: A Simple But Yet Complete Guide To Getting Your Stuff Together*, author Erin Johnell Dickey examines many issues in which women face. These issues, better known as "stuff," are hindering many women from enjoying all that life has to offer them. It is imperative that women address inner issues such as pain inflicted by others and self-inflicted pain caused by negligence. Women must also make their dreams become reality. This book is meant to be an easy reader so that women on the go will have time to read it and apply it in their daily lives.

McMaster Journal of Theology and Ministry: Volume 11 Wendy Porter, 2010-11-15 The *McMaster Journal of Theology and Ministry* is an electronic and print journal that seeks to provide pastors, educators, and interested lay persons with the fruits of theological, biblical, and professional studies in an accessible form. Published by McMaster Divinity College in Hamilton, Ontario, it continues the heritage of scholarly inquiry and theological dialogue represented by the College's previous print publications: the *Theological Bulletin*, *Theodolite*, and the *McMaster Journal of Theology*.

Priestess, Mother, Sacred Sister Susan Starr Sered, 1996-04-11 Religion is often denounced as one of the tools used by patriarchal societies to maintain the status quo and especially to persuade women to accept subordinate roles. This does not explain, however, the existence of many religious groups in which women are both leaders and the majority of participants. How are these women's religions different from those dominated by men? What can we learn from them about the special ways in which women experience their unique reality? In this fascinating and pathbreaking work, the first comparative study of women's religions, Susan Starr Sered seeks answers to these compelling questions. Looking for common threads linking groups as diverse as the ancestral cults of the Black Caribs of Belize, Korean shamanism, Christian Science, and the Feminist Spirituality movement, Sered finds that motherhood and motherly concerns play a vital role in these female-dominated groups. Nurturing and concern for others are at the center, as are healing arts and ways of dealing with illness and the death of children. Religion not only enables women to find sacred meaning in their daily lives, from the preparation of food to caring for their families, but also offers intense and personal relationships with deities and spirits, often through ecstatic possession, trance, as well as opportunities to celebrate and mourn with other women. By examining the shared experiences of women across great cultural divides, *Priestess, Mother, Sacred Sister* offers a new understanding of the role gender plays in determining how individuals grapple with the ultimate questions of existence. In the process, it not only highlights the profound differences between men and women but the equally important ways in which we are all alike.
